

Day Drinkin'

Background: The idea for this song came to me the day Jimmy Buffett died. It seemed like something he should have written (better than I could have.) Written in about 30 minutes, it's simple and fun and that's about it. It's not easy to write a simple song without it sounding cheesy and forced. Jimmy gave us so many simple but great songs that you didn't need to think too much about but could just enjoy. RIP Jimmy B.

D
Yeah let's do some day drinkin'

G

C
Day drinkin'

G
A few beers, or maybe a bunch

Anyone up for some day drinkin'?

C **G**
I think you are, call it a hunch

Verse

G
It's one of those days

You ain't got that normal swag

Then work is a total drag

G
Outside it's sunny and warm

It should be Saturday

D
The weekend's a distant tease

G
So let's blow work off anyway

Chorus

C
And do some day drinkin'
G
Boozing while the sun is high
D
Let's do some day drinkin'

Verse

G
Well that tropical storm is coming
C
The rain's already here
G
It's too gross to go outside
C
I could use a margarita or a beer
G
If the boss man gives you hell
D
Well tell him I said good luck
C
You can call me a nihilist
G
Because I don't give a f***

Chorus

Let's do some day drinkin'
Yeah it's happy hour somewhere
Day drinkin'
Live life without a care
Day drinkin'
Boozing while the sun is high
Day drinkin'
We don't need a reason why

Bridge

You're as decisive as a squirrel in traffic
And I'm as subtle as a sneeze
You're as cold as an inferno
And I'm as hot as a deep freeze

Chorus

Let's do some day drinkin'
Boozing while the sun is high
Let's do some day drinkin'
Do we really need a reason why?

G

Come on now give it a try
