

Every Moment Counts

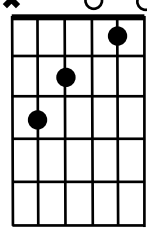

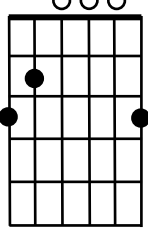

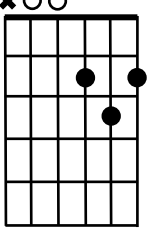

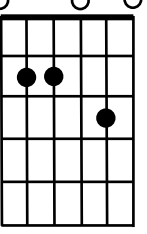

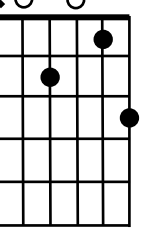

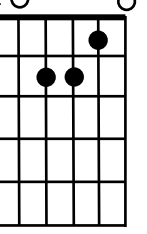

Background: A simple song with a simple message. Sometimes less is more and simple is good. Live in the moment. Live every moment. Live as if this moment may be your last moment. Tomorrow is just a promise. Don't take today for granted. And don't stay awake all night worrying about that which you have little control.

Every Moment Counts

Chorus

G

Every moment counts

C

Take life in small amounts

G

One day it'll all be gone

D

Just as night yields to dawn

G

Every moment counts

Verse

C

The clock is ticking

G

Can you hear it in the dark

D

The messenger is coming

G

His words are cold and stark

C

The click of the metronome

G

Snaps like a snare drum beat

D

The rhythm lulls your senses

G

Slow like ice melting in the heat

Chorus

G

Every moment counts

C

Take life in small amounts

G

One day it'll all be gone

D

Just as night yields to dawn

G

Every moment counts

Verse

C

The morning's just a promise

G

Feels far away at 3am

D

You've got hours left in darkness

G

To contemplate your sins again

C

Time can stretch for miles

G

Or disappear with the setting sun

D

Enjoy each and every moment

G

There may not be another one

Chorus

G

Every moment counts

C

Take life in small amounts

G

One day it'll all be gone

D

Just as night yields to dawn

G

Every moment counts

Bridge

Em

Get on living

G

Or get on dying

D

You can't know when your time's done

G

Or what it was all for

Em7

Get on forgiving

Am7

Stop denying

C

Sometimes simple is good

D

And less is more

Chorus

G

Every moment counts

C

Take life in small amounts

G

One day it'll all be gone

D

Just as night yields to dawn

G

Every moment counts

Outro
