

Bring the Fire

Background: The phrase came to me out of the blue and the song followed quickly. This should be a very hard rock song turned up loud.

Bring the Fire

Verse

E **D**
This hotel room
A **G D**
Alone my home tonight
E **D**
Head rocks like a sonic boom
A **G D**
Glaring off the streetlights

Thoughts of gloom and doom
A **G D**
Occupy my darkened mind
E **D**
As tomorrow looms
A **G D**
Hope you're not too late to find

Pre-chorus

Bsus
Every time I close my eyes
Asus
I see your face again
C#m
Every time I open wide
Bsus **Asus**
I scream again

If you bring the fire
D **A**
I'll bring the rain
E **G**
