

Train Wreck

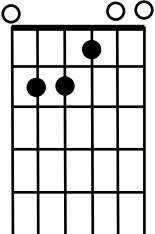

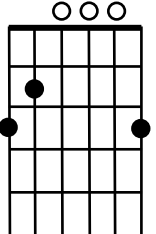

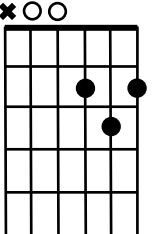

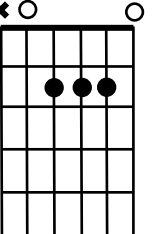

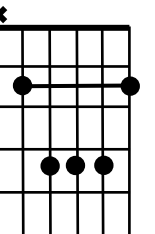

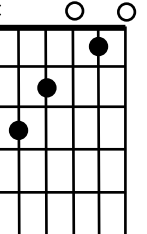

Background: A very silly song written in a few minutes while sitting in a parking lot at Wolf Trap waiting for my daughter. A parody on substance abuse not to be taken too seriously. All kinds of subtle and not so subtle references. Worked in as many as I could.

Written:

Arr.	Key	Time	Tuning	Tempo	Style	Capo
1	E	4/4	Standard	145	Hard rock, distortion, not much reverb, crunchy staccato power chords. Like early 80s metal before keyboards and power ballads infested it.	None

Train Wreck

Jack's Verse

Here comes Jack again
Three sheets to the wind
Slurring his words like a toddler
Stumbling around again

Pre-chorus

Like a locomotive out of control
Once straight up and neat
Now he's a mixed up soul

Chorus

He's a train wreck
Running off the tracks
Boxcars Jack-knifed
Piled up in stacks
A train wreck
Cars tossed in a pack
Like capsized turtles
Flailing on their backs
He's a train wreck

Crystal's Verse

There goes Crystal again
Crusin' on the Love Boat
Rollin' downstream in ecstasy
Happy to stay afloat

Pre-chorus

Like a locomotive out of control
Wired like a bomb head to toe
Lines cut and ready to blow

Chorus

She's a train wreck
Running off the rails
Box cars busting
Like a break from jail

She's a train wreck
Cross the Cassandra bridge
Smack into the river
Below the ridge
She's a train wreck

Herb's Verse

Here comes Herb again
Swimmin' round the bong
He's fried like an egg
Cheeched like a Chong

Pre-chorus

Like a locomotive out of control
Tripping out and droppin' fast as a stone
Re*fer to the resin in the bowl

Chorus

He's a train wreck
Baked like a potato
Eyes bloodshot
Red as a tomato
A train wreck
A human tornado
Pupils spinning 'round
Like dials on a radio
He's a train wreck

Bridge

This is the last straw
I'm shaken and stirred
Ice about to crack
Pipes about to burst
I'm cutting the lines
Deep in the weeds
On pins and needles
With a need for speed

Chorus

A train wreck

The wheels came off Jack's wagon
Herb likes Crystal's method
Puffs the magic dragon

A train wreck
High as a kite
Jack and his friend Coke
Are on the rocks tonight

Train wreck
Snortin' like a hog
Stoned like a martyr
Sniffin' like a dog

Train wreck
Hey bud, we're riding coach
We ain't no upper class
We're back here with the roaches

Train wreck
This train ain't the bullet
If the engine's burnout
We'll need a mule to pull it

Train wreck
Churning up the dust
Don't be such a downer
You act like it's a bust

Train wreck
Drunk as a skunk
Smokey wants to see what's
Smuggled in your trunk

Train wreck
You get the point
A bump in the tracks
And you'll hit that joint

Train wreck

I ain't no dope
I'll make you a deal
Sell you an ounce of hope

Train wreck
The time is 4:20
Got a smile on your face
But on your back's a monkey

Train wreck
Jack's such a lush
Herb's grass is green
Crystal loves the rush

Train wreck
Crank it up
This train can take you home
But so can a bus

Train wreck
Let me be blunt
Molly ain't so cool
And MaryJane's a c***

Train wreck
I ain't no flunkie
Keep hanging with the addicts
You'll end up a junkie

Train wreck
Do you hear the booze
I ain't no angel
Dust off your shoes

Train wreck
Don't be so aloof
You ain't no angel
So get off the roof

Train wreck

A penny for a pound
Get out your shovels
There's snow on the ground

Train wreck
Too broke to glue it
Get out your pills and
Let Barbie chew it

Train wreck
Time for a Scooby snack
There's a little lamb for Mary
Jane's on Tarzan's back

Train wreck
I ain't no saint
Jack's got me buzzin'
But this Coke ain't

Train wreck
What the hell's a vape?
Oxy's such a moron
Herb's bent so outta shape

Train wreck
#Herb
Chrystal is a heroine
Jack's so disturbed
Train wreck
