

# F\*\*\* It Highway

**Background:** Anyone else tired of American politics and the news media that just fuels and exacerbates it by catering to the extremes on both sides? Most of it is fiction and created for effect and money, but it has devastating effects on people’s mindsets and culture. It’s killing this country.

**Written:** March 2025.

## **Verse**

I'm so sick of the "news"  
Wanna close my eyes  
It's a never-ending cycle  
Of mudslinging lies  
I wanna pack my bags  
Cuz the world's gone sideways  
And get on down the road  
Down the F\*\*\* It Highway

## **Verse**

Well, the right has no ethics  
The left has no spine  
The middle's a prison  
Yeah we're all doing time  
Let's start the weekend early  
Ain't waiting till Friday  
Gonna head out right now  
Down the F\*\*\* It Highway

## **Chorus**

Are you going my way  
On the F\*\*\* It  
The F\*\*\* It Highway  
I'll see you on that byway  
Called the F\*\*\* It  
The F\*\*\* It Highway  
Going all the way down  
The F\*\*\* It Highway

## **Bridge**

Gonna ride all night  
Till I run outta gas  
I hope they ride my tail  
So they can kiss my ass  
Watch out on the right  
I'm gonna pass  
Watch out on the left  
I'm coming up fast

## **Solo**

### **Verse**

Keep one thing in mind  
And heed my words  
They're only in it for money  
Power and rewards  
And none of it  
Will ever come your way  
So leave it all behind  
And ride the F\*\*\* It Highway

### **Chorus**

You'd better get outta my way  
I'm on the F\*\*\* It  
The F\*\*\* It Highway  
I'll kick the bucket my way  
On the F\*\*\* It  
The F\*\*\* It Highway  
They can suck it sideways  
All the way down  
The F\*\*\* It Highway
