

Quick and Dirty

Background: The title pretty much sums up the time, effort, and quality of this song. But that's ok. A lot of songs are like that. And they end being good because of it.

You've heard of Bonnie and Clyde? Surely Thelma and Louise. How about Micky and Mallory? Alabama and Clarence? This song is about another infamous couple called Quick and Dirty. I made them up.

Quick and Dirty

Verse 1

G

They called him Quick and they called her Dirty

C

She was just 19 while he was pushing 30

G

Don't ask how I know

D

A little birdy told me so

G

Quick wasn't that cool, a little bit quirky

C

She seemed real nice, maybe a little too flirty

G

But polished up just right, always looked so purty

D

And ready to go

Chorus 1

C

Here comes Quick and Dirty

G

Headed out on the town

D

It was only 'bout 7:30

G

But they had to beat the crowd

C

Planned to rock the club 9:30

G

And burn the whole place down

D

C

G

Leave everyone as smoke and ashes on the ground

Verse 2

G

They weren't cultured, don't like Bach or Verdi

C

Thought all those “classic” books were way too wordy

G

And all those “great” poets, well they might write dirty

D

But they can’t even rhyme

G

They were in their prime and feeling quite sturdy

C

Spent their short lifetimes speeding like Dan Gurney

G

But could stop on a dime, get down and dirty

D

They were partners in crime

Chorus 2

C

Here comes Quick and Dirty

G

Out painting the town

D

It was now past 11:30

G

And they were feeling the sound

C

They rocked out the club 9:30

G

And burned the whole place down

D **C** **G**

Left everyone as smoke and ashes on the ground

Bridge

D

Quick checked his watch, it was now 12:30

C

He was still feelin’ fast and looking sporty

D

She said let’s go, Quick said what’s your hurry

C

It ain’t nearly closing time

D
Dirty cocked her head, said I got a better journey
C
You know Thelma and Louise were a little bit nerdy
D
Now Mickey and Mallory filled up a lot of gurneys
C
And a lot of body bags

Verse 3

G
But Alabama and Clarence, now they were truly romantic
C
You must be in love to put up with those antics
G
Put down Drexel and Virgil, it was oh so manic
D
And in the end they got away

G
So how about you and me knock off an armored transport-y
C
It's leavin' Wells Fargo tonight, AM 2:30
G
How the hell do you know that?

Dirty said shhh don't worry
D
Let's just say Elvis told me so

G
They hit fast, they hit furiously
C
In and out like pros like Alabama Worley
G
Quick felt a bit bad 'bout the two wounded mortally
D
But Dirty said c'mon it's time to go

Chorus 3

C

There goes Quick and Dirty

G

Speeding out of town

D

Flying by in a hurry

G

Breakin' the speed of sound

C

They left in a flurry voices slurry

G

And then sped underground

D

Where the mice are furry but even they don't scurry

C

D

G

Like Quick and Dirty fleein' out of town
