# The Devil You Know

## Verse

**G**

Well I can't believe

It's been this long

**C**

Since I've seen your real face

**G**

And I can't conceive

What was so strong

**C**

Has been erased

**D**

You feel the end coming

**C**

Like the credits running

**G**

At the end of a movie show

**D**

As the curtain falls slow

**C**

Wherever you go

**G**

It's the Devil you know

## Chorus

**C**

The Devil you know

**G**

Little white lies she tells

**C**

The Devil you know

**G**

False promises she sells

**C**

The Devil you know

**G**

Every sight and every smell

**D**

Burns through your soul

**G**

It's the Devil you know

### **Verse**

**G**

You know she hides

In your shadow

**C**

In each step you take

**G**

The river's wide

But still so shallow

**C**

And each mirage is fake

**D**

The clouds remind you

**C**

What was behind you

**G**

Still resonates

**D**

The baggage you tow

**C**

Everywhere you go

**G**

Is the Devil you know

### **Chorus**

**C**

The Devil you know

**G**

Little white lies she tells

**C**

The Devil you know

**G**  
False promises she sells  
**C**  
The Devil you know  
**G**  
Every sight and every smell  
**D**  
Burns through your soul  
**G**  
It's the Devil you know

### Bridge

**Em**  
You keep hanging on  
**Am7**  
What else can you do  
**Em**  
The Devil don't care  
**Am7**  
He's well aware  
**C**  
Of the fear inside of you  
**D**  
Shining through

### Interlude

#### Chorus

**C**  
The Devil you know  
**G**  
Little white lies she tells
