

Me and the Bottle

Background: We've all been there, some of us a little too often. Our vices can get the best of us. This is a traditional Delta-style blues song.

Written: Sometime in 2023

Chords Used in this Song

E7	A7	B7
		

Variations in the Chords with Hammer-ons and Pull-offs on the Majors

Me and the Bottle

Verse

Got a friend comin' out tonight
The only one that I can depend
Been there through good times and bad
Always got a shoulder to lend
Yeah me and him are best friends
No one's ever come in between
Always partners in crime
Always the two of us fleeing the scene

Chorus

Me and the bottle
Throwing time away
Going full throttle
Going all the way
I ain't no role model
Sure ain't no supermodel they say
Me and the bottle
He ain't never gonna betray

Verse

Ain't no closing time here
No the sun here don't set
This joint stays open all night
You can stay long as you get wet
You never owe him nothing
Never a debt to repay
I don't know how we got here
But I do know we're here to stay

Chorus

Me and the bottle
Swimming fast away
Sinkin' to rock bottom
Where all the shipwrecks lay
I don't know why they bother
To try to save this lost castaway
'Cuz me and the bottle
We'll just drown another day

Solo

Verse

Come tomorrow mornin'
My eyes be too blind to see
My head pounds like a hammer
My liver won't speak to me
Ain't got no memories
Got no good stories to tell
Just another night in heaven
And another morning spent in hell

Chorus

Me and the bottle
More hair of the dog today
We ain't here to mollycoddle
This big dog's gone astray
Stop walking with a waddle
Get your big ass out of my way
'Cuz me and the bottle
We're going back at it today
Yeah me and the bottle
Are going full throttle today
