

# Only Right Now

**Background:** Background: Witnessing the last days and moments of someone's life makes you wonder what that must be like, what you think about, what regrets you may have, what you may have done differently, what you look back on fondly and proudly.

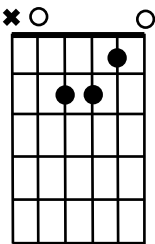

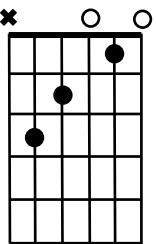

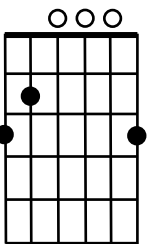

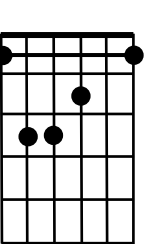

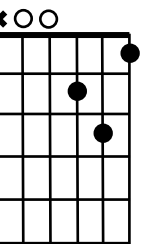

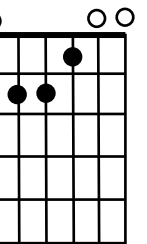

**Written:** 2/24/26 - 3/10/26

# Only Right Now

## Verse

**Am**

There is no future

**C**

There is no past

**G**

There is just the present

**Am**

Moments fleeting fast

**Am**

There is no beginning

**C**

There is no end

**G**

There is just this moment

**Am**

To make amends

## Chorus 1

**G**

Only right now

**Am**

There is only right now

**G**

Only right now

**Am**

There is only right now

**F**

No time to borrow

**C**

No hope just sorrow

**G**

There is no tomorrow

**Am**

Only right now

## Verse

**Am**

There are no colors

**C**  
There are no shades  
**G**  
Just a fleeting essence  
**Am**  
A glimpse and she fades

### **Chorus 2**

**G**  
Only right now  
**Am**  
There is only right now  
**G**  
Only right now  
**Am**  
There is only right now  
**F**  
Voices ring hollow  
**C**  
A bitter pill to swallow  
**G**  
Nothing left to follow  
**Am**  
Only right now

### **Interlude**

#### **Bridge**

**F**  
Does your life read  
**C**  
Like the lines of a poem  
**Dm**  
Will you leave them wanting more  
**E**  
Is it more than you owe 'em

### **Verse**

**Am**  
The last sun has set

**C**  
The last shadow cast  
**G**  
The last breath exhaled  
**Am**  
The last heart beat's past

**Chorus 1**

**G**  
Only right now  
**Am**  
There is only right now  
**G**  
Only right now  
**Am**  
There is only right now  
**F**  
No time to borrow  
**C**  
No hope just sorrow  
**G**  
There is no tomorrow  
**Am**  
Only right now
