Homesick

Verse

G

I woke up feeling homesick

C

Like I was a million miles away

G

But I was right there in my bed

D

And it was just another day

Chorus

C

Have you ever felt so homesick

G

So homesick you could cry

C

Have you ever felt so homesick

G

And couldn't figure out why

D

Yeah I'm homesick

C

So homesick

G

Feel like I could die

Verse

G

I went to work feeling homesick

C

Rails click out the long train ride

G

I didn't notice I missed my stop

(It didn't matter)

C

I couldn't get off if I tried

G
I rode the train to the end
C
What difference does it make now
G
Then the train turned back around
C
Headed back to my hometown
G
But it didn't bring me any closer
C
No closer to my home
G
It's strange to be surrounded
D
Yet still be so all alone

Chorus

Bridge
Am
The scariest part is wondering
C **G**
If you'll ever be ok
Am
But you still have to go out
C **G**
And face another day
D **C**
And while you feel dead inside
G
You pretend to be alive
D **C**
It's a game you don't really play
G
As much as survive

Verse

G

I went to bed feeling homesick

C

Feeling spent and all alone

D

Ain't it sad to be so homesick

G

Inside your own home

(No chorus after last verse. Go to D then end on G.)
