

Stratosphere

(Rocket Me Up)

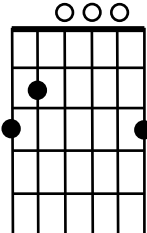

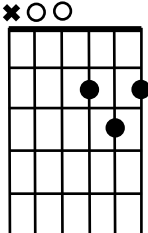

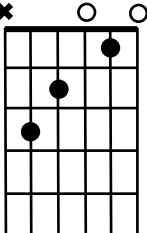

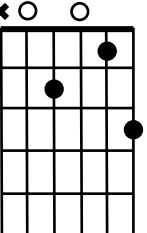

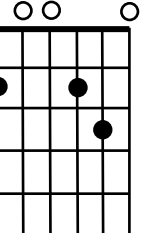

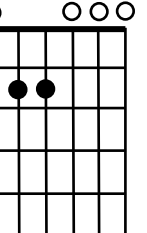

Background: The news is depressing. It seems like people are getting further apart than ever. Just want to rise about it all.

Stratosphere

(Rocket Me Up)

Verse

G

Been feeling too earth bound

D

Frozen by gravity's pull

C

Tired of being stuck to the ground

G

D

Staring up at a moon in full

G

This world's got my head spinning

D

I think it's time to lift off

C

The ground beneath me is falling

G

D

I'm reaching for the stars above

Chorus

G

Rocket me up

D

Above the stratosphere

C

I wanna float above the clouds

C

So I can look down

G

D

And watch the world disappear

G

Rocket me up

D

Above the stratosphere

C

Let's fly away

C

Make our getaway

G

D

Let's get out of here

Verse

Seems our Earth's going nowhere **G**
There're no world leaders anymore **D**
Just everyone choosing sides **C**
It's a disease looking for a cure **G** **D**
Two many hearts lost in conflict **G**
Petrified into stone **D**
Blackened like soot **C**
As hollow as a bone **G** **D**

Chorus

Rocket me up **G**
Above the stratosphere **D**
I wanna float above the clouds **C**
So I can look down **C**
And watch the world disappear **G** **D**
Rocket me up **G**
Above the stratosphere **D**
Let's fly away **C**
Make our getaway **C**
Let's get out of here **G** **D**

Bridge

Em **Dadd9**
Across the skies into orbit
Am7
Past where angels stand guard
C
Where the stars arrange as gods
G **D**
Where time and space are one

Verse

G
I can't stay here any longer
D
There's nothing left here for me
C
I'm tired of feeling orphaned
G **D**
And speaking in soliloquies
G
This heart is feeling heavy
D
I want a black hole to climb into
C
This rain's 'bout to break the levee
G **D**
Just needs another inch or two

Chorus

G
Let's rise up
D
Above the stratosphere
C
I wanna float above the clouds
C
So I can look down
G **D**
And watch the world disappear
G
Let's rise up
D
Above the stratosphere
C

Let's fly away

C

Make our getaway

G

D

Let's get out of here

G

Yeah let's get out of here
