

# Bouncing Off the Walls

## (Children's Version)

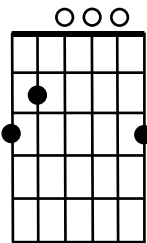

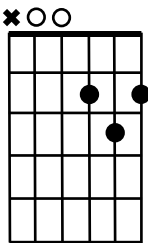

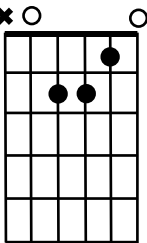

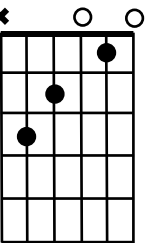

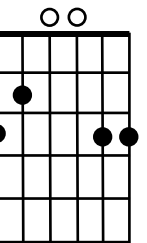

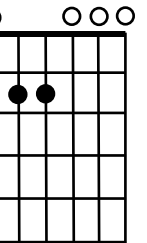

**Background:** A silly children's song based on a great expression that I still use even as the kids have gotten older. Oh they still bounce, it's just a bit less. The phrase reminds me of an old Calvin and Hobbes strip where Calvin envisions it literally happening after his mom tells him that's what he's doing.

# Bouncing Off the Walls

(Children's Version)

## Verse (G D G D x2)

Well Red Rover Red Rover  
Send (name) on over  
S/he's my lucky four leaf clover  
S/he's my good luck charm  
Ponies are horsing 'round  
Mice scurry along the ground  
Dogs sniffing 'round the pound  
One just bit me on the arm

## Pre-chorus (Am C G D)

You can hear them  
All the way down the hall  
You can feel them bouncing  
Bouncing off the walls

## Chorus (G5 D G5 D Am C G D)

Bouncing  
Bouncing off the walls  
Bouncing  
Bouncing off the walls  
Blowing in the wind  
Floating in free fall  
(Name) is bouncing  
Bouncing off the walls

## Verse (G D G D x2)

Water ski behind Noah's ark  
Chased by a great white shark  
His bite's worse than his bark  
I hope I don't fall down  
The zebra is too black and white  
The fireflies light up the night  
The cheetah is as fast as light  
You can't see him on the ground

**Pre-chorus (Am C G D)**

You can hear them  
All the way down the hall  
You can feel them bouncing  
Bouncing off the walls

**Chorus (G5 D G5 D Am C G D)**

Bouncing  
Bouncing off the walls  
Bouncing  
Bouncing off the walls  
Blowing in the wind  
Floating in free fall  
(Name) is bouncing  
Bouncing off the walls

**Verse (G D G D x2)**

Skidding on a wet road  
Sliding sideways like a wet toad  
Pump the brakes till they explode  
Spin out of control when they lock  
Dream I'm fallin' through thin air  
Feel the wind rush thru my hair  
Lean back too far in my chair  
Then wake up with a shock

**Pre-chorus (Am C G D)**

You can hear them  
All the way down the hall  
You can feel them bouncing  
Bouncing off the walls

**Chorus (G5 D G5 D Am C G D)**

Bouncing  
Bouncing off the walls  
Bouncing  
Bouncing off the walls  
Blowing in the wind  
Floating in free fall  
(Name) is bouncing

## Bouncing off the walls

### **Verse (G D G D x2)**

Lion's lyin' 'bout ferocity  
Hippo's hip to dubiousity  
Cat was killed by curiosity  
But I know he's got your tongue  
Chimp keeps monkeying around  
Bats are hangin' upside down  
Rabbits don't dare make a sound  
They all seem so high strung

### **Pre-chorus (Am C G D)**

You can hear them  
All the way down the hall  
You can feel them bouncing  
Bouncing off the walls

### **Chorus (G5 D G5 D Am C G D)**

Bouncing  
Bouncing off the walls  
Bouncing  
Bouncing off the walls  
Blowing in the wind  
Floating in free fall  
(Name) is bouncing  
Bouncing off the walls
