The Student Council sponsored by Mr. James Wysong, is affiliated with the National Council and received their charter in the fall of 1959.

Throughout the year several members of the Council served as directors and as presentation speakers at various school programs.

The Student Council sponsored two major activities during the school year. One of these activities that the Council looked forward to was the crowning of the second annual Home-coming Queen. This event took place at the Argos-Mentone game on November 25. A pep session and bon-fire began the exciting evening. The evening ended with dancing in the cafeteria to the music of Myrtle Clouse and her orchestra. Another activity sponsored by the Student Council was the first annual Spring Carnival held on April 9 in the high school gymnasium. For the first attempt at any entertainment of this type, the crowd was sizable and everyone enjoyed themselves. Eleven organizations participated in the festivity. The carnival was followed by a record hop on the deck.

Archy, a young man with the mysterious 'third dimensional' qualities of a human bloodhound, was sent by his mother to Hope Canyon to track down and punish his father's murderer, Jacob Fuller. He locates his man and almost succeeds in ruining him when he discovers he is the wrong person. Meanwhile the cabin of Flint Bunker, an ill-tempered miner, was dynamited and Buckner was killed. Sherlock Holmes accuses Sammy Hillyer, the brother of Archy's lover. Archy proves Sherlock wrong and pins the murder on Fetlock Jones, a mistreated young helper of Flint Buckner, who was persuaded by Sadie Smith, his lover. Archy also discovers that the murdered miner was the very scoundrel who, years before, had killed his father and nearly shattered the life of his beautiful mother.

Mrs. Spangler keeps a rooming-house at Brookfield College, and she says, "I never know if they're in or out. They come and go so fast you couldn't keep track of them if you were a paid spy." That's more than true on the day before Commencement; for in addition to her regular college-boy roomers, their girls keep popping in and out; a few parents and an aunt show up, and the "Prexy" and Professor Bean find occasion to call several times. And Things Happen! Spring fever has hit Brookfield.
