# Painting the Year

Through the Dragon's Tale, we have painted the year with excitement, laughs, and most of all, memories. These memories will never be forgotten. The good and bad times, along with the old and new friendships will carry on with us forever. To those starting school, 1996 will be the beginning of a 13-year journey. To those who are graduating, the journey comes to an end.

As you look back and review the 1995-96 school year, we hope we painted the times as being the best of your life.

# Seniors Paint the Finishing Touches

---

During their final year of school, the Class of 1996 made many decisions. They decided whether to go to college or get a job. They planned their graduation parties and purchased announcements, Senior keys, and Senior pictures. They worked together to organize and serve a great Senior Supper which helped finance their Senior trip. A portion of the proceeds also went toward the cost of the graduation ceremony. They spent hours filling out applications for scholarships and admissions to colleges.

“Senioritis” attacked all class members in varying degrees and at various times throughout their last year. Some were glad that 1996 was their last year. Others really did not want their school year to end.

# Homecoming 1995

---

The Student Council conducted its Homecoming celebration on Saturday, December 9, 1995. During the halftime of the Argos versus Oregon-Davis varsity basketball game, the introduction of the queen candidates took place. As they were being serenaded out on to the basketball floor by the Argos Pep Band, the candidates nervously awaited the announcement of the winner. Student Council Secretary Brandy Yoder announced the winners. Christie Eley was crowned the 1995 Queen. Christie was the third and final queen to have been crowned from the class of 1996. Following the game, the Student Council held a dance to celebrate the new queen and her court. Mr. Levi and Student Council members worked many hours planning and decorating for the event. The stage was spectacularly decorated with a maze of black and gold balloons.

## Bailey leads Dragons with 19 goals

---

The Soccer season began in August with the team members participating in a grueling conditioning program. Each day they ran 2 miles, practiced wind sprints, and did aerobic exercises to prepare for the season.

The Dragons opened the season with a 3-2 victory over Elkhart Baptist, which started a 9-game winning streak. It included an impressive win over Portage in a penalty kick shoot out to advance to the championship game of the Riley Invitational. Scott Bailey scored 4 of his 19 goals in the championship game as Argos defeated Riley in a score of 5-1.

Argos finally fell to Culver midway through the season on a rainy evening. The Dragons bounced back to defeat Warsaw and an undefeated Oregon-Davis team. Argos lost their second game of the season to CMA, which took away any hopes of winning the conference. Argos defeated Elkhart Baptist in the first round of the MIC Tourney. Argos was defeated by Oregon Davis in the second round. Argos finished the regular season against Bethany with a 3-1 loss, which gave Bethany the Conference Championship.

Argos went into tournament play facing CMA. At the end of regulation, the score was tied at 2. It remained tied through overtime, and Argos finally won in the second round of the penalty kick shoot out. Argos won the Sectional Championship by defeating Plymouth as goalie Brent Johnson recorded his fifth shutout of the season. Argos played Muncie Central in the Regional and won by a score of 3-2. # Girls Volleyball Sets Up For A Good Season

The Argos Volleyball Team finished 16-10 for the 1995 season. Award winners were as follows: Most Valuable Player-Aimee Reed, Most Improved Player-Sarah Nifong, Mental Attitude Award-Christie Eley, Captain Award-Aimee Reed, Dragon Awards-Sheri Glover and Aimee Reed.

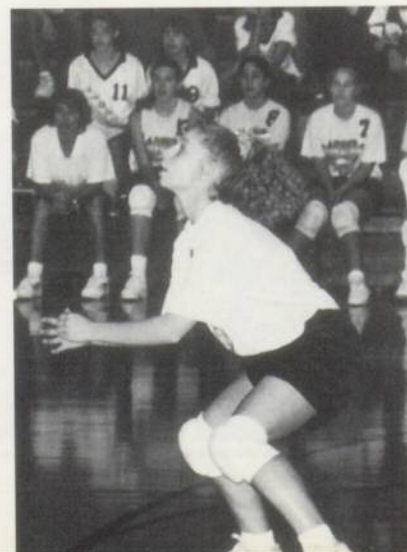

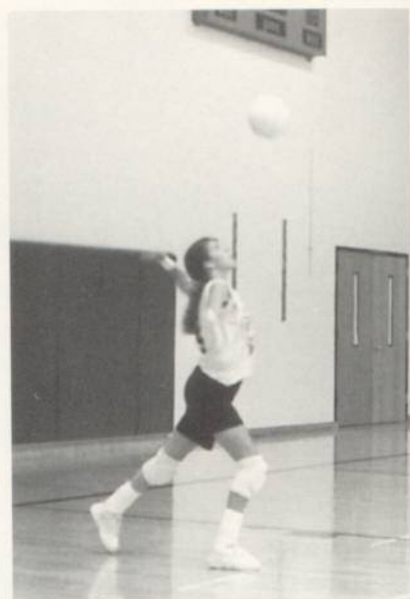

Coach Singleton was disappointed with the record, she felt that there was a lot more talent than what the record shows. The team was plagued with many injuries early on in the season which lead to a rather slow start. As a team, the girls were 95% setting and 89% hitting which was the highest ever for a season.

Mrs. Singleton would like to give special recognition to the four Seniors for their hard work and dedication the last four years and would like to say "The Girls' Volleyball Team is a great group of young ladies. They are good students with great attitudes who know the meaning of hard work."

The highlight of the season for the JV Team was winning the Argos Invitational by defeating Michigan City Marquette in the championship game. Coach Boyd Davis was a first-year coach.

# Girls' Softball Starts in 1996

This year the Argos Girls' Softball season proved to be a learning experience for all who were involved. Considering the fact that this was the girls' first season, they did exceptionally well. Under the direction of Mr. Eugene Snyder and Ms. Julie Sparks, the team ended up 1-9. The record does not show how hard the team really worked. Not only did the girls learn the basic ideals of softball, but they also encouraged each other to learn the value of teamwork. Everyone was enthusiastic about this first softball season by showing their support to the program. Next year the girls hope to improve their skills and their mental goals in order to have a more productive season.

Wayne. They practiced twice a week during the summer. It takes them two weeks to prepare for a pep session.

# Custodial Staff Keeps It Clean, Tidy, and Safe for Everyone

In early June, regular school dismisses and the annual school clean-up begins. The custodial staff, under the direction of Fred VanDuyne, puts things into high gear to spruce up the building for the coming school year. They will be mopping, waxing, cleaning carpet, washing windows, dusting, and renovating and repairing all summer. However, this summer, their job will be made even more difficult by the presence of construction workers who are building the new additions to the school. We appreciate the hard work the janitors do to maintain our building in good shape throughout the entire year. Upper right--Fred VanDuyne and Bill Stults, day custodians. Lower left--Rose Archambeault--evening custodian. Lower middle, Phil Sherwood--evening custodian. Lower right--Darlene Cowger--day custodian.

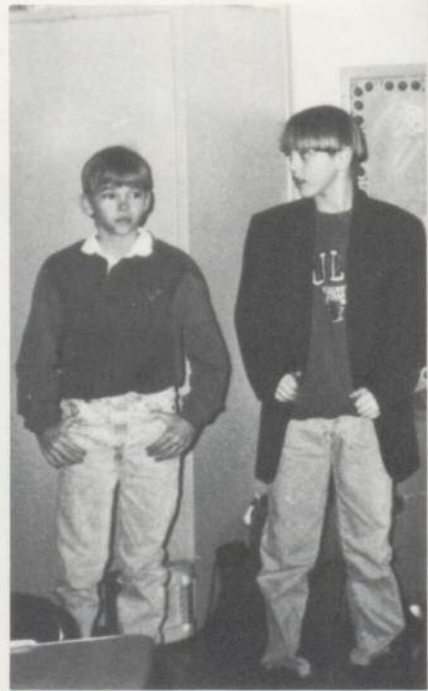

# Kitchen & Transportation Crews Provide Valuable Services

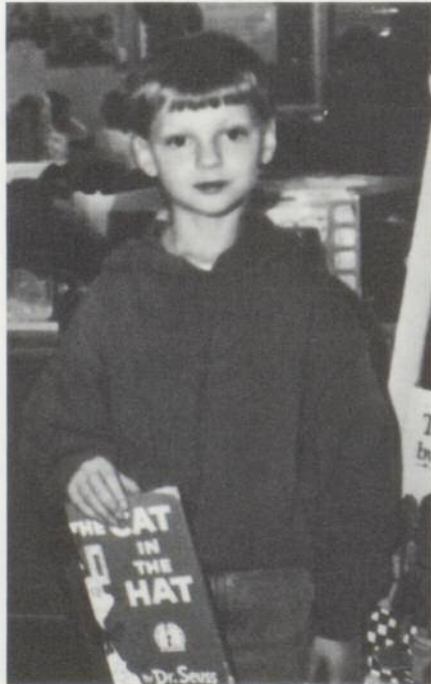

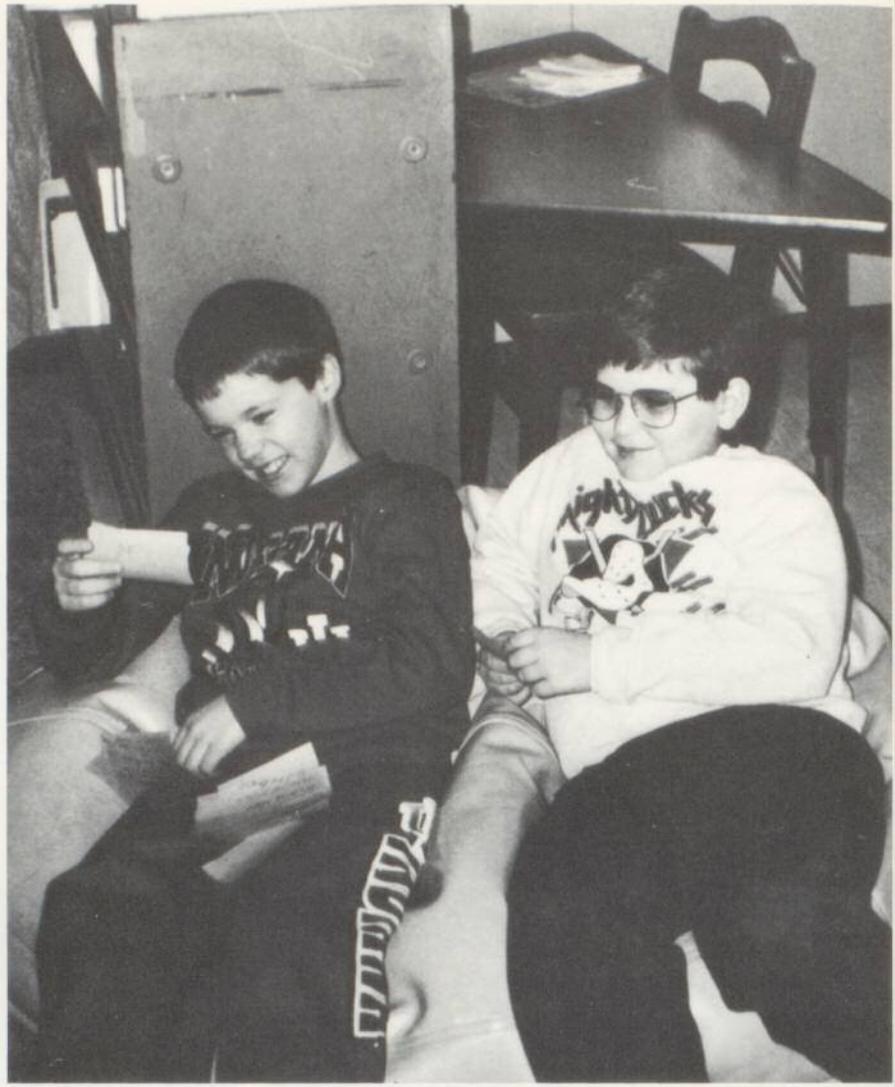

Mr. Richard Davenport (upper left) is the Superintendent of Transportation. He is responsible for maintaining the bus fleet and overseeing the use of all school-owned vehicles. He also supervises the bus drivers who are pictured in the middle photo. They are: row 1, (l-r) Chris McIntire, Paulette Detwiler, Connie Gunter, Beth Smith, and Nancy Patton. Row 2--Charles Welborn and Richard Dean.

The cooks (pictured at the bottom) work very hard each day to prepare tasty meals that meet state guidelines for nutrition. They are: (l-r) Cathy Eley, Doris Shumaker, Ernestine Becker, Mary Hooker, Ellen DeWitt, Ruth Rensberger, and Nancy Patton.

A career in health care is one of the most personally and professionally rewarding of all career possibilities. The need and opportunities for both the present and the future have never been greater. The U.S. Bureau of Labor Statistics reports that employment for health professionals is expected to grow rapidly—at 42 percent for one million new jobs the year 2000—far exceeding the projected 19 percent growth rate for the total U.S. labor force. Health career opportunities for both men and women, job satisfaction, job security and salary levels are better than ever before. So go ahead, explore the opportunities, and "Make a 'Healthy' Career Choice!"

Pick the best Powered Parachute on the market today! No other type of aircraft in the world is as easy to fly or as safe! You can't stall, loop, dive or do unsafe maneuvers under normal flight conditions. With its simple assembly and operation, it's an excellent choice for sport aviation newcomers. Training will take only 2 hours, with dealer flight training available. It's like hot air ballooning with the added dimension of control you expect for fixed wing aircraft.

Working on the yearbook has been quite an experience this year--very frustrating at times but also both challenging and rewarding. Gifted and Talented Funds were appropriated and matched by Yearbook Funds to purchase a powerful Macintosh Computer so that we could put our layouts and graphics in addition to text on disk for submission to the yearbook plant.

I would like to thank many people--Mr. Evans for helping us get our computer with Gifted and Talented Funds, my co-sponsor Rockie Levi for helping me learn how to use Page Maker, and our co-editors Tim Emerick and Deanna Singrey. Tim worked many hours on the '96 book doing everything from selling over \$2,000 in ads to doing layouts and writing copy. Deanna provided many good ideas and also wrote copy. Mat Smith sold over \$2,000 in ads.

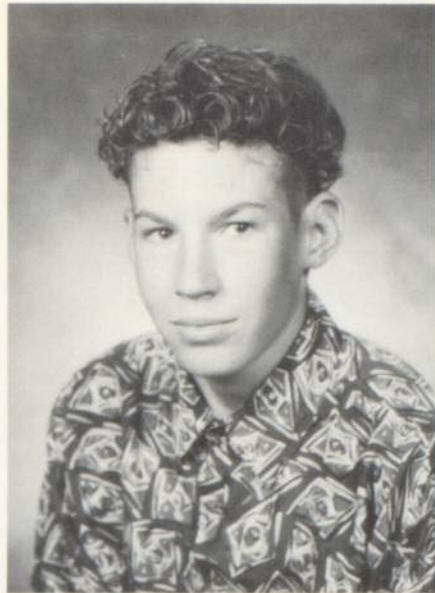

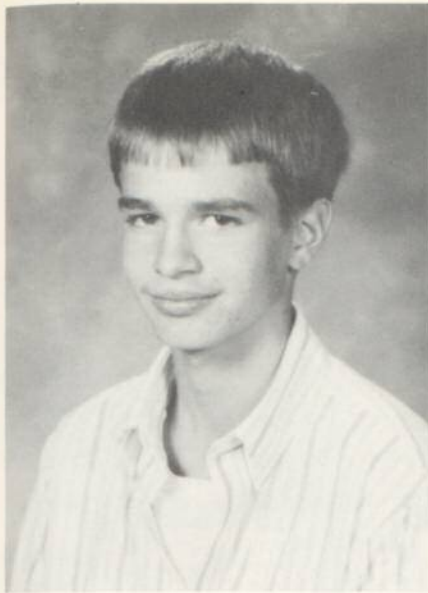

And I would like to give special thanks to JC McLaughlin, Bill Redinger, and Tom McFarland for the many hours they spent working on the Sports and Album Sections. I appreciate all the pictures taken by Kristy Robinson, Mat Smith, Paul McCarthy, and Mark VanDerWeele.

## Ending the Year

not grants to teaching

We hopw we have painted 1996 as a year you will never forget. We want you to always remember the special moments that you've been through at Argos Community School. As Senior Co-Editors, we wish everyone the best of luck and much success.

Deanna Singrey  
Tim Emerick

The 1996 yearbook has finally come to an end,  
We have captured the good and bad times  
that you have shared with all your friends.

This yearbook is full of memories  
to always look back on,  
as remembering the moments  
that have come and gone.

By painting the year with this 1996 yearbook,  
we hope we have given you one last look.

As next year will come and go  
as quickly as this one,  
always remember the special  
moments of endless fun.
