*Dragon's Tale*

The school years K through 12 provide each individual with a myriad of opportunities for learning, artistic expression, physical activity, and social interaction. Each year brings us a series of memories and experiences that remain with us throughout our lives. We have chosen *Lasting Impressions* as our 2002 theme. Hopefully this book will help you recall some of these special memories and experiences.

# Lasting Impressions

In your elementary and high school years, especially here at Argos, many things become etched into your memories for life. Do you remember your first year of high school? What about your first kiss on the monkey bars or spider web? Remember when you got your license?

Remember when you learned the alphabet and then how to read? Remember your first hit in a baseball or softball game? Your first two points in a basketball game?

If you ask your parents what they remember most about high school, they might respond with the 1979 basketball team who made it to the Final Four. Or, they might mention the Blizzard of '78.

No matter how big or small your memories are, you can be sure they will be captured in this yearbook. This book is devoted to saving your memories so they will forever be . . . *Lasting Impressions.*

One of the most diverse variety shows ever was held on November 2nd and 3rd, 2001. The array of acts included an SNL-type skit, various vocal acts, and two hometown bands. Acts were judged on stage presence, vocal ability, originality, and other performance related topics. Janet Teal, Jennifer Mack, and Sam Ochstein, the judges, decided that Kathy Overmeyer and Scott Schafer should take home the \$50 1st prize and Heuy Lewis and the Maynard Experience should receive 2nd for performing a song originally sung by Morphine, "Head With Wings." The judges also thought the Taber band should walk away with third.

# FALL HOMECOMING

On Saturday, September 15, the Fall Homecoming celebration returned. Several Argos clubs made banners for a parade, and a King and Queen were crowned.

The candidates for the homecoming celebration were nominated by the various school organizations. The nominees from FCCLA were Jennifer Warren and Dustin O'Dell. From Drama club they were Andrew Hayn and Selena Dehne. Nicole Avery and Bill Robertson represented SSS, and from Student Council, Terah Moore and Kurt Robinson. Danielle Stayton and Brian Zentz were selected from NHS. Unfortunately not pictured are the nominees from FFA (Bob Davis and Becca Cripe) and FEA (Carrie Andrews). The clubs paraded onto the track with their spirit banners and candidates. The results were then announced before the anxious crowd. The king was Bob Davis and the queen was Terah Moore. The 1999 Queen Katie Kessler returned to do the honors of crowning the winners.

## Junior and Senior High Music Groups Celebrate Christmas

Even though the weather this past winter was not so typical, the Music Department did its best to bring some holiday cheer to the school anyway. On Thursday, December 13, the annual Christmas concerts were presented. The junior high portion was followed by the high school one an hour later. Included in these two pages are some of the many fine acts that helped lighten the hearts of all those who attended. Band director Mrs. Sandy Burroughs and new choral director Mrs. Tammy Monesmith combined their talents to provide an entertaining variety of music to please everyone. There were solo and ensemble pieces as well featured in both concerts. The finale of the evening was a sing along of Christmas carols with the combined high school band and choir.

# Spring Concerts Break School Routine

The annual Spring Concerts helped provide a break from the dull routine of school on May 9, 2002. The evening was divided into two sessions, one for junior high and the second for the high school. These concerts not only highlighted the abilities of our music students, but also recognized the outstanding ones with special awards for their contributions to the program. Winners of awards this year included Kaylie Rice, Outstanding 7th grade musician; Doug Hammond, Outstanding 8th grade musician; Laura Giles, Arion Award (band); Stacy Dimmitt, Arion Award (choir); Quentin Flagg, Arion Award (choir) and Director's Award (band); and Bob Davis, Service Award.

Floozy dancers, cowboys, box socials, and surreys. There is only one thing this could mean, Oklahoma.

feelings. Laurey takes up and invitation to Mr. Skidmore's box social with Curly's nemesis, Jud. All the while, Will Parker has just returned from Missouri to marry Ado Annie Carnes, who has promised her hand to a traveling salesman, Ali Hakim. After a fight, a wedding, and another fight, all is well on the Oklahoma plain.

"Look Mr. Carnes, I'm only a peddler!"

# A Busy Year

Seniors have a tremendous number of decisions to make and special things to do during their final year at Argos High School.

During summer or early fall, every Senior usually has his or her Senior pictures taken to share with family and friends. The Yearbook Staff needs a picture. Early in the fall, the Seniors vote on designs for the Senior t-shirts and sweatshirts. Seniors purchase graduation announcements, Open House invitations, thank you cards, memory books, yearbooks, Senior mugs, Senior keys, and tassels.

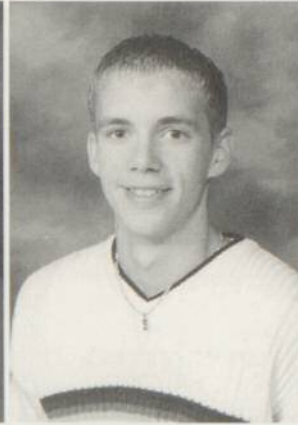

The Senior Supper takes hours of planning and work to make it a success. This project helps finance the Senior Trip and Graduation exercises.

Graduation requires both planning and some decision making. The Seniors vote on the songs to be included in the ceremony and what to wear to the ceremony. Some Seniors decide to give speeches at graduation. Others decide whether or not to participate in the Senior Choir.

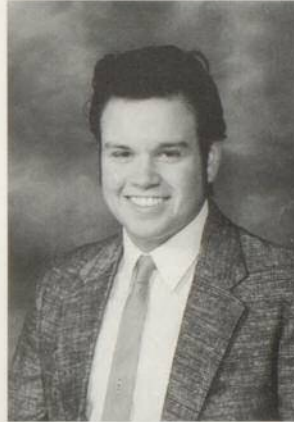

Seniors also have to make some very important decisions about their future--college, job, marriage, military, travel.

The Senior year is a very brief period of time during which so many important decisions are made.

# Faculty & Staff

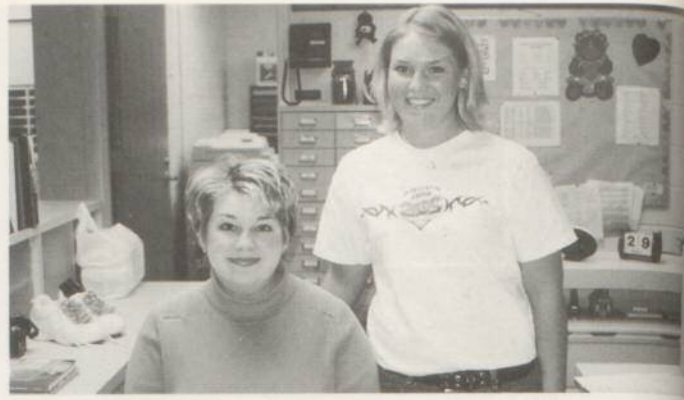

**ELEMENTARY PRINCIPAL**

Upper Left—Mr. Ron Leichy mans his desk as he prepares to start the day.

**ELEMENTARY STAFF**

Upper Right—Mrs. Laurie O'Dell, secretary, and her sister senior Sara Brown work together in the office. Center Right—Mrs. Linda Marshall also assists as a secretary in the office.

*Elementary and High School Office Personnel*

Both the elementary school and the high school would not be able to run as efficiently as they do without the capable personnel that are there to handle the numerous duties that must be performed there daily.

In the elementary, Mr. Leichy is assisted by secretaries Mrs. O'Dell and Mrs. Marshall. The school nurse also makes appearances there each day to care for any ill or injured students. Along with her counseling duties, Mrs. Berry also is responsible for the implementation of the Bridges program for

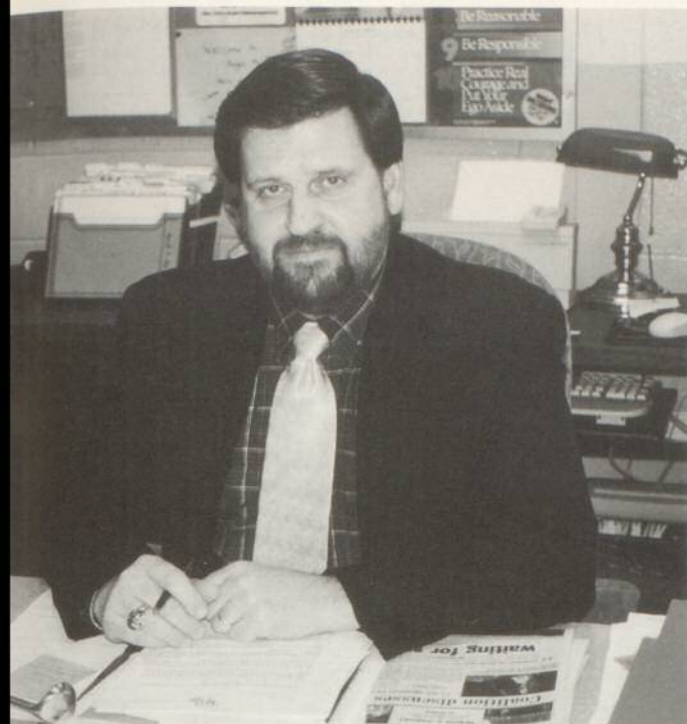

elementary students who have learning difficulties.

The high school welcomed some new faces this year. First on the list is Mr. Kevin Porter (photo opposite page) who became our new junior-senior high school principal. He is formerly from Richmond, Indiana and he says that he really likes working at Argos. We also have a new counselor, Mrs. Stauffer. She came to us from Lincoln Junior High school in Plymouth and is fitting in quite well.

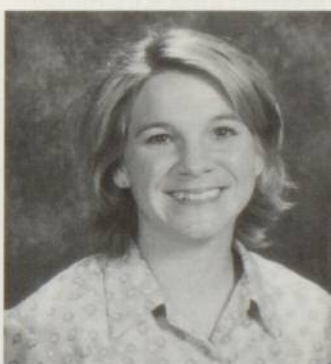

**MORE STAFF**

Lower Center Right—Mrs. Melody Avery is the nurse for all students K-12. Lower Right—Mrs. Nancy Berry is the elementary counselor for students who need some extra support.

**NEW JR.-SR. HIGH PRINCIPAL**  
Upper Left—Mr. Kevin Porter joined our staff when Mr. Dehne left for Triton High School. He has a wife Bonnie and a son Sean who moved here with him to our town.

**CAPABLE ASSISTANT**  
Upper Right—Mr. Boyd Davis is athletic director, attendance supervisor, and assists Mr. Porter with junior high discipline.

**COUNSELORS' CORNER**

Mrs. Aimee Porteus (lower left) and Mrs. Julie Stauffer (lower middle) along with Mrs. Jennifer Lee (lower right) keep the guidance department in operation.

**SUPPORTIVE STAFF**

Center Left—Mrs. Lynn Overmyer is the principal's secretary. If she doesn't know what's going on, probably no one does! Center Right—Mrs. Kandi Dunham, shown here with her assistant money counter Michelle Brubaker, is responsible for keeping track of the school's financial transactions.

*Reading takes center stage in the library this year. Visiting authors, contests, even a castle in the elementary library were all part of the activities*

## A festival of reading

Neal Shusterman (top) visited the junior-senior high school in April. He addressed the student body about becoming an author, and later he conducted a workshop for selected students about how to start writing a book. Shusterman speaks with Brett Hammond about his writing after the presentation (pic. 4). Junior high students participated in a new contest this year, the "Leave Me Alone, I'm Reading This Book Contest." Prizes included free passes to replace homework assignments and quizzes. They could also have won lunch with the principal. The final prize was a trip to Barnes and Noble to pick out books for their English classrooms.

Mike Thaler, (bottom pic.) author of the "Black Lagoon" series, spoke with elementary students in March followed by the annual elementary reading rally called "Catch A Dragon By The Tale." In April, students read more than 350,000 pages. Students received paper bricks for pages they read and the bricks were assembled into a castle in the elementary lobby (pic.2). During the final celebration, students dressed in medieval costumes (pic. 5) and Mr. Leichy fulfilled his promise to wear his clothes inside out since they reached their goal. Mark Walters (pic. 3), shows off his reading achievement certificate.

Pictured left to right are Jami Patterson, Bethany Bolander and Doug Andrews listening to Mr. Leichy "read a dragon tale!"

*Mrs. Arnett*

Every other year, Mrs. Arnett holds this event to raise awareness of activity and keeping your heart healthy. In addition, it's a great way to help raise funds for both the elementary PE program and for the American Heart Association.

**ADVERTISEMENTS**

At Woodlawn, our people are at the *heart* of what **The People.**

we do. We're your friends, your neighbors, your relatives, who live, shop and raise our children in the same places you do. And while we live and work here, we've each made a commitment to you and your good health. Because at whatever stage we enter your life, you'll find us to be dedicated professionals, focused on keeping you, your family and our community healthy.

### **The Technology.**

It's no secret that in today's healthcare world, technology is constantly changing. As newer and more advanced healthcare technology becomes available, we evaluate and assess its application to meet our community's needs. For example, with our new C.T. Scanner, used to detect abnormalities in the head, chest and abdominal organs, we can reconstruct images significantly faster than with previous scanners and reduce test times by more than half.

Everyone talks about quality healthcare, but

it's an empty slogan if it isn't administered by committed healthcare professionals, people you know, people who genuinely care, using the most advanced technology available. And you know the best part of all?

*It's all right here at home.* Woodlawn Hospital.

Adam, It has been a joy and privilege to be your parents. We are so proud of your accomplishments. You are becoming a wonderful man. All our love, Mom and Dad

Some of the joys of being your mom: watching you play your heart out on the basketball court or entertaining a roomful with your comic antics; your smile, charm, wit and integrity--these will forever remain in my heart. Love, Mom

BILL ROBERTSON

Time passes so quickly from Little League until now. You will always be our All American. We wish you much success and hope that all your dreams and goals are reached. We Love You!
