The boys' soccer team, coached by Todd VanDerWeele and assistant coach Joe Stone led a 19-1-2 record this year. They were the Northern Indiana Soccer Conference Champions, as well as Sectional and Regional Champions. They went on to Semi-State to be one of the top 8 teams in Class 1A Soccer. The soccer team also had a repeat of last year when they won Sectional and Regionals and went on to play Bethany Christian in Semi-State. This is the first time ever that the boys and girls soccer teams have won together both Sectionals and Regionals. They also won their Invitational against Northwood 4-3. They will be graduating four seniors this year, but still have much experience left to continue their success.

*Homecoming is about the student body and who they choose to be their homecoming representatives. Each grade, freshman through juniors, has two couples for homecoming court. The senior class has three couples. The couples are based on a voting method where all the high school students get a list of their classmates in their grade. They choose two boys and two girls. The seniors choose three boys and three girls. The voting for prince, princess, king, and queen is decided by high school students. During the week of homecoming, students participate in random activities. The points go toward the end of the year Field Day. To celebrate the winners of the homecoming court, a dance is held after the boy's game.*

They help maintain the auditorium like changing stage bulbs when they burn out. They also build and paint all of the sets and decorations for spring musical, Variety Show, and concerts. They are the stage crew for all the music department's performances, which includes attending outside of class rehearsals. They also set up and tear down all the equipment such as risers for all of the productions and assemblies.
