

Cake Care Card

Hold your cake box from the bottom, and carry with care!

Keep leftover cupcakes in an airtight container.

Place cake box on a flat surface - either in the boot of your car or the footwell. Keep car cool!

Keep your cake in the original packaging for 24 hours.

Store your cake in a cool dark place - Not the fridge as this will dry your cake out.

When serving, keep out of direct sunlight as the flowers are made of buttercream.
