Volunteer Spotlight

Songviadxy Mott

We are proud to recognize one of our amazing volunteers whose dedication and compassion continue to make a meaningful impact in the community she serves. Through her commitment and organizational skills, she helps create a welcoming and supportive environment in our Children's Boutique.

Her efforts ensure that children and families can shop with dignity for much-needed essentials such as clothing, undergarments, shoes, and hygiene products. She works diligently to keep shelves organized, stocked, and accessible so families can easily find the items they need.

Her kindness, consistency, and heart for service help make our mission possible. We are truly grateful for her dedication and the positive difference she makes in the lives of children and families throughout our community. Thank you Mi Golda

Community Angels is excited to partner with other nonprofits and community organizations to offer upcoming community events, workshops, and field trips throughout the year. These activities are designed to encourage connection, learning, wellness, and positive community engagement for the families and individuals we serve.

JUNETEENTH

At Community Angels, we honor the significance of this day by celebrating the strength, contributions, and history of the African American community while continuing our commitment to compassion, advocacy, empowerment, and unity for all.

As we reflect on this important part of American history, may we continue to build stronger communities rooted in hope, dignity, opportunity, and equity.

“Juneteenth reminds us that our work is not done. It reminds us that freedom and equality are not givens, but ideals we must continue to strive for together.” – Barack Obama

Happy Juneteenth from Community Angels
