

What is Folkus?

Folkus is a mobile application. It is a voice-based social platform. It will be available on android.

How it works?

People get the opportunity to listen, discuss and share their similar stories, thoughts, reviews in any language that they are comfortable with and switch to other languages in no time.

Vision & Mission

Our motto is 'SPEAK YOUR MIND'

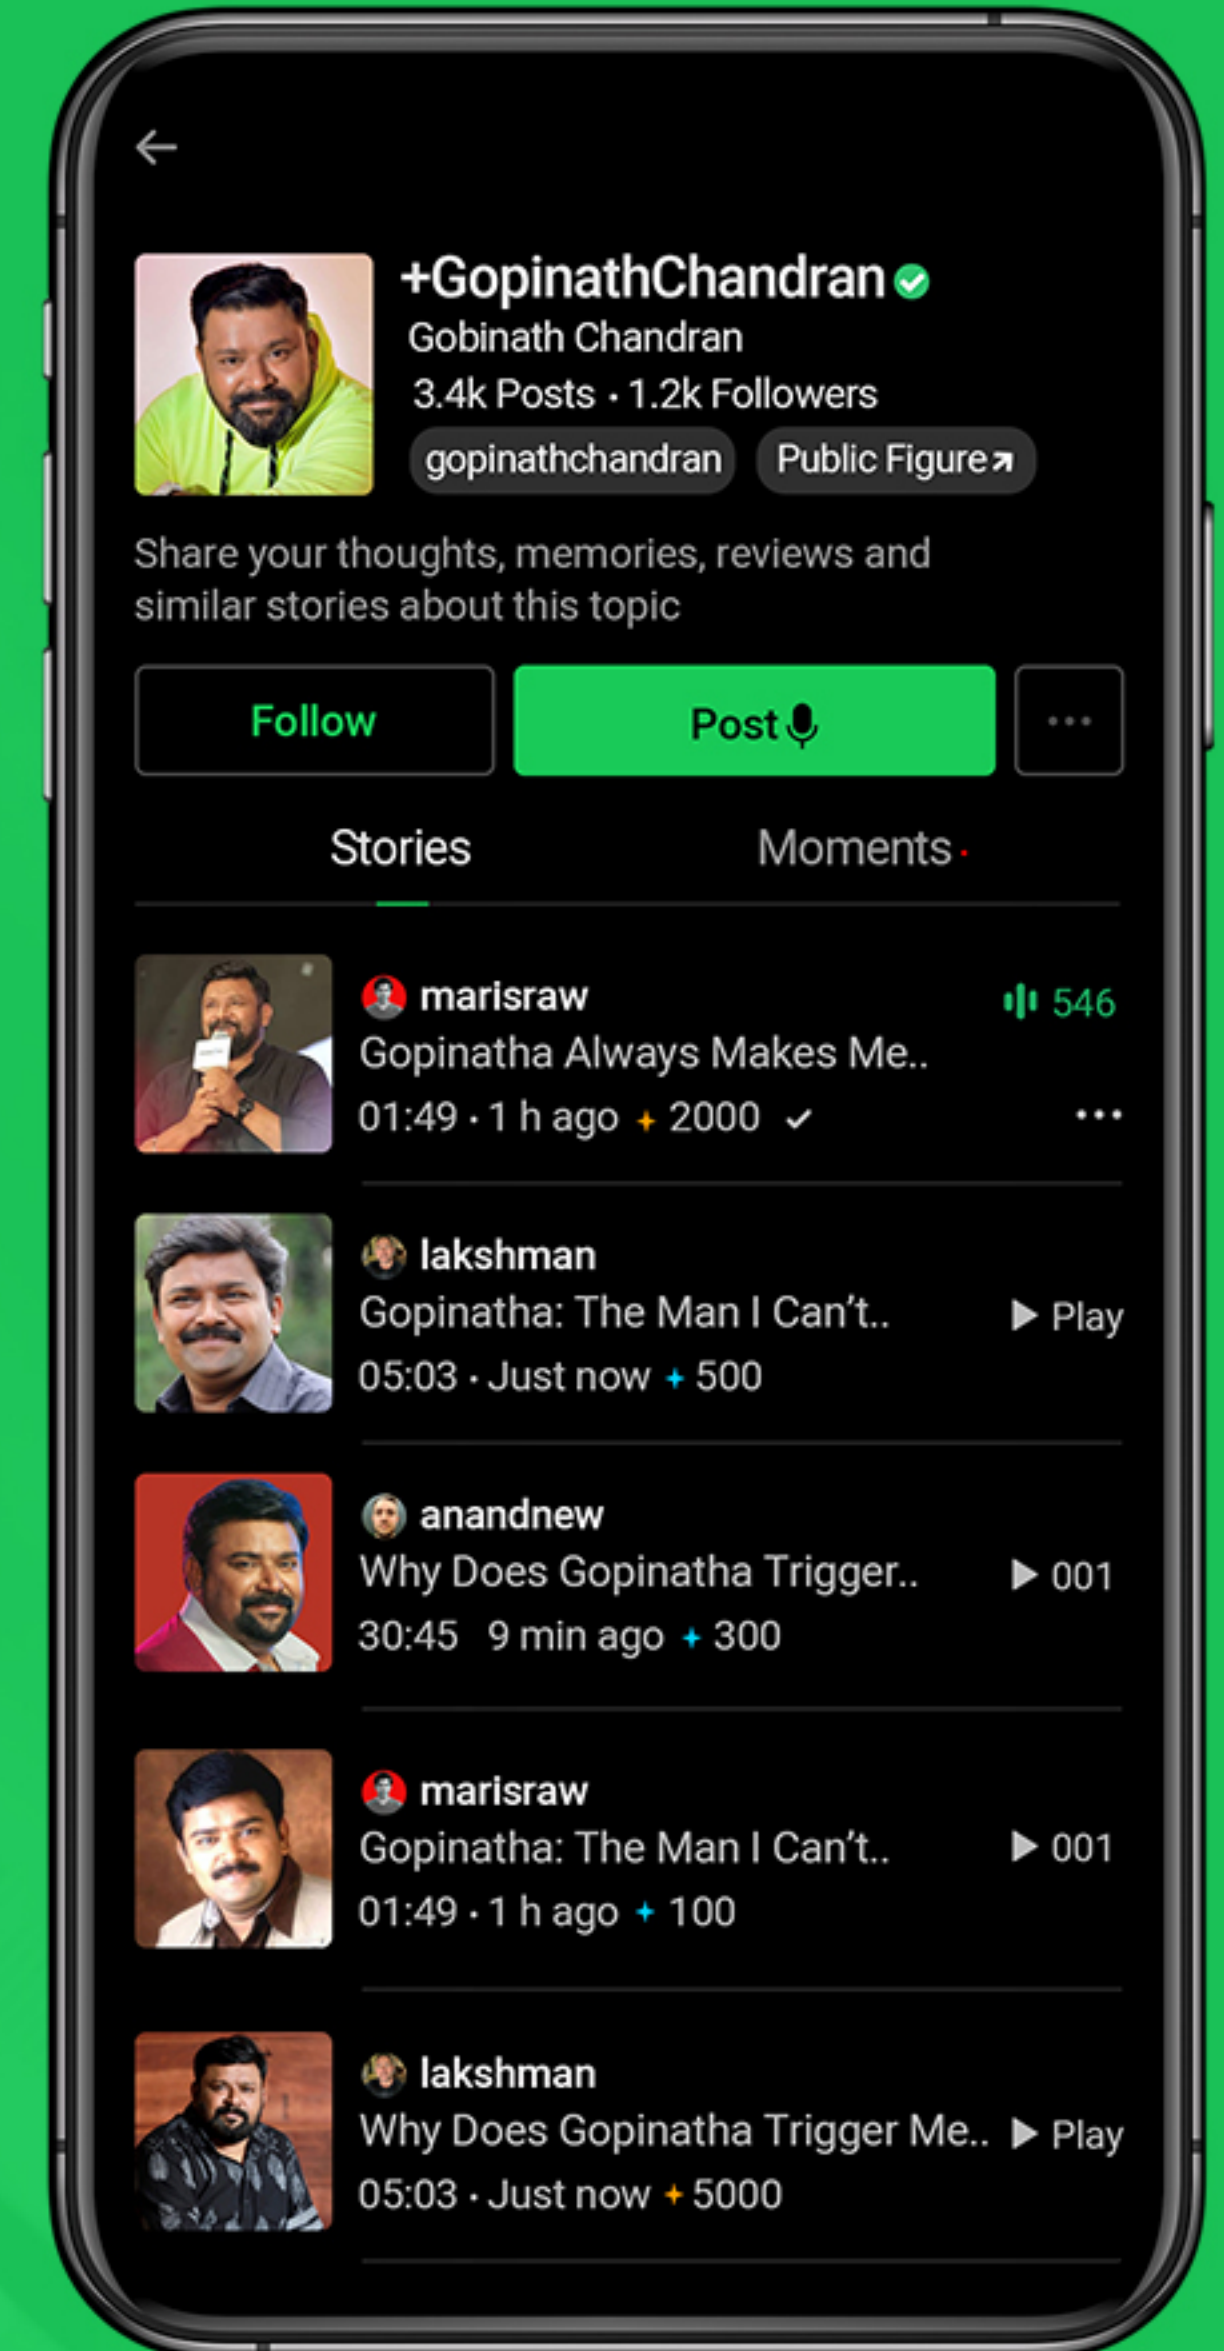

The more we discuss, the more we gain knowledge, confidence and awareness. That is what Folkus visions. Our goal is to encourage people to talk what happens around them.

Our ultimate mission is to make everyone speak up and have their own voice since the world goes through a ton of environmental, economical, social and psychological problems.

Audience & Interest

We target 13+ audience. We aim to have billions of people all over the world and to feed their interest on Business, Education, Politics, Sports, Fitness, Hobbies, Movies, Food and so on.
