Chess News Highlights

More exposure and opportunities are coming this year

Interest meetings will be held in the fall for people to learn what we are about. We held a similar meeting in 2018 when we started.

We do not yet have dates, but it will be held in the community meeting room at the Forest Public Library and we will explore any opportunities to do the same at Morton's library. At the meetings, information will be provided about chess for persons who are new to the game. Tell your friends to come check it out. If you missed the original meetings, this is a good way to find out more about our operations.

We are also planning attendance at area events such as Wing Dang Doodle festival in Forest in September and other public appearances. For the most updated information between newsletters, check our Facebook page.

Scott County Chess Club sponsored tournament

2nd Annual Roosevelt Chess Classic is set

MORTON – The first anniversary of our first tournament is set for **Nov. 5** and we are proud to announce the details of the second annual Roosevelt Chess Classic tournament. Like the first one, this event will feature the opportunity for both individuals and teams to participate. It has been streamlined a little based on experience of our first two events.

Our first Roosevelt Classic in 2021 attracted 46 players from around Mississippi and we had players come from Tennessee, Louisiana, and Florida. This year, based on interest expressed so far, an even bigger turnout is possible.

Before we go any further, recognition goes to our past sponsors who generously donated funds to help make our first two tournaments successful. Most of, if not all, of them have expressed an interest to continue this year and we may even have some new sponsors added. This is a tremendous benefit because their contributions help keep the registration fees and expenses as low as possible which means funds left over after all bills are paid can be carried over to the next event. We really appreciate the support from the community and the businesses who have helped make these tournaments possible. We are getting noticed around the state with strong showings of players visiting Scott County to play this great game. There is so much potential to make our community a chess destination in Mississippi.
