OF ST. HELENA AND CALISTOGA

my
Choice

The Club opens every day at school release, allowing plenty of time for kids to unwind after a long day of school. It's a great time to hang with friends and grab a free snack from the Club!

my
Work

Every day, the Club offers academic assistance to all members. Power Hour is entirely devoted to homework. Members are given a quiet space and supplies with staff and volunteers to help them along where needed. Staff members do their best to reinforce concepts employed during the school day and offer assistance after school but do not check homework.

my
Club

The Club is so much more than a fun place to grab something to eat and get some help with homework.

We offer a full array of enrichment programs at each of our sites. Members have the opportunity to take part in a wide variety of programs and activities, from unstructured free time, to fine arts, sports, and life sciences!

What you should know!

Calendar & Daily Schedule

Annual Boys & Girls Club event calendars for each of our programs are available on our website at www.BGCSHC.org. Monthly program calendars are posted regularly at the site and online on our Facebook pages. These calendars are subject to change.

Volunteerism

Parents are encouraged to take an active role in the Club as volunteers! To volunteer at the Club, adults must fill out a volunteer application and are required to submit to a background check.

Early Release & Late Pick-Up

Parents should understand that by signing their child up for the Club that they are making a commitment to have their child attend the Club regularly. The Club's schedule is designed for members to remain on site until 5:30. Parents are required to pick-up their child by 6:00pm. Late fees of \$1 per 1 minute per child will be charged for members left after closing. Late fees must be paid before the member(s) will be allowed to return.

Pick Up List

Parents may designate additional friends and family members who may pick up their child in the event that they themselves are unavailable. The Club recommends no fewer than four people be on this list of authorized pick ups and emergency contacts. Additional contacts may be added throughout the year.
