

SUPPORTING AUSTRALIAN TALENT

Our team is made up of talented Australian creatives with extensive experience working with many iconic brands, Maticevski, Victoria & Woods, Misha Collection, Scanlan Theodore, Bettina Liano to name a few, Our team are paid above award wages and offered opportunities to grow and thrive in their roles. We have a close connection to fashion institutions and hold an intern mentor program.

SUSTAINABLE APPROACH TO SOURCING

With our sourcing services we offer our designers sustainable, and Australian made options. We educate our collective on the impact of their choices and the journey they take to get to us .

RECYCLING OF ALL WASTE MATERIALS FROM THE STUDIO

We recycle and donate all our off-cuts used in our studio, all paper and plastic used is recycled. Most of the equipment & furniture in the studio has been up-cycled .

EDUCATION

The sustainable path is not the easy one. We support our community of designers and consumers in regard to what they are investing in when they purchase garments from designers who have their garments made through CC. Co.
