

The Monona County Fair kindly appreciates your consideration to sponsor our 2025 Fair- July 8-13th!

The Mission of the Monona County Fair is to be a source of community pride among county residents by providing an educational showcase for 4-H and FFA members, members of other youth groups and residents to exhibit their accomplishments in the area of agriculture, general and natural sciences, family consumer sciences and county projects. We will provide a wholesome family fair incorporating educational and entertaining activities and generate year-round usage of our facilities. In accomplishing this mission, we will continually improve our business processes and address the needs of our community and customers.

Since the Fair relies on the partnership of many individuals and businesses in the County, we hope you will consider a partnership with the Fair. Partnership packages have been developed for you to consider. A Partnership Board is displayed on the Fairgrounds for all to be acknowledged and the announcers at grandstand events give full credit to all the partners. Depending on the level of partnership, you may also receive tickets for grandstand events, advertising in the local newspapers and our website as well as banners displayed at the grandstand events.

Some of the fun events planned for the 2025 Fair include Figure 8 Races, Outlaw Truck & Tractor Pull, TWO nights of Demo Derby, Live Local Entertainment, a CARNIVAL, Food Eating Contests, an Arm Wrestling Competition, a Glow in the Dark Foam Party, a Parade on Sunday, and much more!

A member of the Monona County Fair Association will be available to answer any questions or concerns you may have. Please contact any member for further information. We hope that you will become a partner of the Monona County Fair as we move forward. Your support is vital to the continuation of this event that has been part of the heritage of Monona County for over 100 years.
