DISCLAIMER

The website AlondraUnion and this magazine supplement update of PATH Sociedad Anónima de Argentina, is offered as a service for professional investors and advisers, and it is a software driven investment information.

The information and fund documentation on this website and magazine, do not constitute an offer, in particular a prospectus, or any invitation to treat, buy or sell any security, or to participate in any trading strategy, or the provision of investment services or investment research.

While particular attention, has been paid to the contents of this website and magazine, no guarantee, warranty or representation, express or implied, is given to the accuracy, correctness or completeness thereof. Any information given on this website and magazine, may be subject to change or update without notice.

Neither PATH Sociedad Anónima de Argentina, nor any other company related, nor any of its directors or employees, can be held directly or indirectly liable, or responsible with respect to this website and this magazine.

Use of the information contained on the website and magazine, is at your own risk. The website and this magazine, and information contained herein, can be copied, reproduced, distributed or passed to any professional investor, mentioning the source of information.

Investments involve risks. Please note that the value of any investment, may rise or fall, and that past performance, is not indicative of future results, and should in no event be deemed as such.

This website and magazine is not intended, and may not be used to solicit sales of investments, or subscription of securities, in countries where this is prohibited by the relevant authorities or legislation.

The content of the website and magazine are owned or licensed by PATH S.A. de Argentina. and its subsidiaries, or its third-party providers, and is protected by applicable copyrights, trademarks, and/or other intellectual property rights.

Any claims arising out of or in connection with the terms and conditions of this disclaimer are governed by Argentina law.

Notes: the blue line in the trend charts marks the support zone, and the green line the resistance zone.

Pay attention also, to the golden line, which indicates the degree of volatility that each of the commodities faces.

The latency time indicates the estimated time, in which the forecast projections will impact the spot prices, for each of the commodities.
