**Day Time Phone #:** \_\_\_\_\_

**Services to Radiator(s) circle below:**

General Repair                      \$40 to \$70 per radiator

Seam Welding                      \$60 per radiator or \$120 a set

Bracing                              \$60 per radiator or \$120 a set

Cage Bracing                      \$70 per radiator or \$140 a set

Tank Modification                \$130 per tank

**Please pack the radiators in a proper way so there is no more damage in shipping. Make sure there is a 2" cushion around each radiator and separate them from each other with cardboard or bubble wrap. Rule of thumb bigger box is better.**
