**Address:** \_\_\_\_\_

**City:** \_\_\_\_\_ **State:** \_\_\_\_\_ **Zip** \_\_\_\_\_

**Day time Phone #:** \_\_\_\_\_

**Services to Radiator(s) circle below:**

General Repair                      \$40 to \$80 per radiator

Seam Welding                      \$60 per radiator or \$120 a set

Bracing                              \$60 per radiator or \$120 a set

Cage Bracing                      \$70 per radiator or \$140 a set

Tank Modification                \$130 per tank

**Please clean and rinse out all radiator(s) before shipping. If they are caked in mud and obsessively dirty, there will be a \$20 per radiator cleaning fee.**

**Pack the radiator(s) in a large enough box with at least a 2" crush zone around the radiator and separate them from each other with cardboard or bubble wrap. Rule of thumb bigger box is better.**
