EVERYONE is required to submit credit card information and be on autopay. Accounts are billed on the first of every month. If you do not wish for your card to be charged, you have the option to pay by check or cash, but must pay before close of business day on the first of the month or your credit card will be charged.

You MUST give TWO WEEKS written notice via email to withdraw from a class. Failure to give LA Power adequate notice will result in your credit card being charged for that month of class.

I have read and understand that I am giving LA Power my credit card information, and that information will be used if I do not meet payment guidelines. I understand that my card will be charged the first of every month for tuition unless other payments are made prior to close of business day on the first of each month. I am entering into this program of my own free will.
