A LETTER TO THE MAYOR!

Honorable Mayor

On Remembrance Day in your speech in front of the War Memorial Cenotaph I know you will recall that over 60 million people gave up their lives in two World Wars fighting against a potential Totalitarian One World Government and for Freedom. Their aim was to stop Totalitarian Fascism and Communism from conquering the Western world by coming in thru the front door with their armies and war machines.

How sad that after only 75 years the Citizens of the West are letting the Globalist Totalitarian Tyranny come in thru the back door in the guise of a fake, well planned, well orchestrated Scamdemic, spread thru 24-7 Mainstream Media lies and fear mongering. This isn't a random event. This is part of the Globalists' UN Agenda 21 and their plan for a "New World Order" under the guise of "Sustainable Development" thru the W.H.O. In a nutshell it's a plan for "Global Solutions" for "Local Problems". A "One World Government". It was signed in June 1992 by President H.W. Bush and the leaders of 177 countries in Rio de Janeiro, Brazil. Sounds like a Conspiracy Theory doesn't it. But, don't believe me research it for yourself.

Canadians, Americans and Europeans are now in the process of MEEKLY giving up those hard earned Rights, Freedoms and Civil Liberties, developed over thousands of years of struggle, to a bunch of un-elected public health officials and the political stooges around the world who are implementing these tyrannical Fascist policies such as closing down selected businesses, schools, entertainment facilities, sports, recreation, education, retail, tourism, health care etc., putting people in lock downs, quarantine and house arrests, travel restrictions, mandatory masks, social distancing, travel permits etc., all resulting in lost jobs and people's dignity. When will it end?

Basically, shutting down 40% of the world's economy, thereby gutting the middle class and psychologically terrorizing our youngest generations from which they may never recover. It's literally child abuse. For example, there's NOT A SINGLE CASE of anyone under 20 out of 7.7 BILLION people in the

NOT A SINGLE CASE of anyone under 20 out of 7.7 BILLION people in the entire World who has died from Covid yet we are forcing school children to wear masks which do more harm than good, and social distance. It's insanity. No small family gatherings at Thanksgiving but it's OK for 500 people to be at Walmart or Costco or the liquor store at the same time. Bars and restaurants had to close down for months, then they could open till one, then close at 11 as if Covid can tell time. More arbitrary, absurd, unscientific and insane restrictions placed on us in the name of "public safety". Here's some news for ya. There's no such thing as living in a risk free society, especially not in a jail.

This is a paradigm shift in the way we are living and it's happening before our very eyes so before we lose it all, here are just some "facts", not "feelings" to ponder on this Remembrance Day:
