We are a group of deeply concerned, unpaid Alberta resident volunteers. Our work is intended to educate, inform and motivate all Canadians to be visible and vocal regarding the unequal, unfair and discriminatory treatment of Alberta by our Federal Government. That motivation should naturally flow from the fact that Alberta’s energy business is the most important driver of the Canadian economy and its health directly impacts the standard of living of every Canadian. Unfortunately that has not happened so far!

IT’S TIME FOR ALBERTA’S SOCIALIST EXPERIMENT TO END!

We have been circulating information to our 5,000+ followers over the past few months about matters critical to the future of the Province of Alberta. We have been gratified with the responses and good wishes we have received from many of you.

On Tuesday Albertans must make a very important choice that will impact our quality of life and standard of living in Alberta for years to come. Based upon our in-depth study of the relevant issues regarding jobs, the economy, pipelines and taxes, we are highly confident that Jason Kenney and the UCP will be the best stewards of Alberta’s interests.

We urge you to join us in voting for the UCP and to circulate this note to everyone in your network requesting their assistance. Thank you all for your continued support and cooperation.

It is time for Alberta’s socialist experiment to end!

Please share this email with your contacts so we can turn this unfair, inequitable, unjustifiable travesty around for the good of all Canadians. If you would like to submit information or articles, please send them to me. Thank you for ALL of your support and interest!
