---	--

1. Call to Order: Meeting was called to order at 8:30 a.m.

2. Self-Introductions: Executive Director provided introductions and the roll was taken.

3. Public Comment – None

4. Committee Administration

- a. Review and Approve Meeting Minutes for February 14, 2025:
Hagman noted that they were not prepared in time for this meeting and asked to defer till April. It was deferred after much grief was placed upon Hagman for not having them ready.

5. Committee Business

- a. Status of Kaweah Subbasin Implementation effort was provided by Hagman/Klinchuch.
Hagman noted that the WAF was describing a lower amount of Native Inflow and recommended the TAC prepare for analysis of Native for the allocation in July.
- b. Groundwater Analysis (2-10 acres) was presented without context. Hagman noted that a report will be provided by Chris / Scott in April as to the value of these acres.
- c. Discuss approach for Extraction Fee Rate Study was had. Recommendations as to costs to include were provided. Discussion was had as to the nature of the current budget revenue stream and how that might be analyzed by a regular report showing the shortfall resulting from expenditures on the GSP renewal.
- d. GSP Implementation Items
 - i. Boundary Adjustments – it was concurred that Bulletin 120 boundaries will not be done as there are substantial barriers. Recommendations were made to make agreements with landowners appurtenant to the edge of the B120

EKGSA boundaries. Additionally, modification to boundaries that simply make sense should be done as soon as administratively feasible.

- ii. City of Farmersville Mitigation Water Connection – Limited discussion was had on this topic. Mark Larsen noted that the project will proceed and may be less than anticipated.
- iii. LandIQ Water and Dashboard Data Updates –

6. New/Other Business:

7. Announcements

- a. Next Regular TAC Meeting Date and Time: April 11, 2025, at 8:30 a.m.

8. Adjournment: Committee Chair Buldo adjourned the meeting at 10:25 a.m.
