# MANY MOODS MANY LOOKS

## NATURAL BOUNCY WAVES

Get these natural bouncy waves that will be your perfect style partner all day long. You may either create similar waves using the Philips Hair Straightener or use the Hair Dryer on twisted or braided damp hair. Play up your look with winged liner and accentuated kajal that is slightly flicking outward on the lower lash line, and there you go!

## PRETTY CURLY LOCKS

## SLICK, STRAIGHT & GORGEOUS

Long straight hair used to be an epitome of women's beauty and till date, they continue to look fun and fab! Prep your hair for straightening by washing and drying them properly using the Philips Hair Dryer. Use the Philips Hair Straightener on dry locks to get a glossy finish. Give a final touch to your look with thin double-winged liner.

## THE CLASSIC PONY

This popular hairdo is classy, formal and one of the most versatile looks that undoubtedly amps up your oomph factor. Get this quick and easy-to-do look with the Philips Hair Straightener and make all eyes turn at any formal event. Compliment it with long dramatic wings on your lashes and intense bold kajal.

As amazing as they look, curly locks often go very well with any kind of outfit and are loved by everyone. They give a striking volume to your tresses and can be worn at almost every event, be it a wedding or an office party. Create this hairdo using some hair rollers along with the Philips Hair Dryer. Don't forget to combine it with some smudgy double-winged eye makeup!
