

Spirit Preparatory School
"Celeste Alvarez"
Scholarship

February 6th, 2023

Dear Applicant,

We are pleased to announce, we will offer a scholarship on behalf of Celeste Alvarez. The scholarship will be awarded to a student who most mirrors the outstanding qualities, dedication, and hard work she showed towards being a cheerleader.

A little bit about Celeste if you did not know her, she was just 13 years old, and a world champion cheer competitor when she passed away on January 2, 2015. She began her cheerleading career with Orangecrest Cheer. Celeste never let her size, or her age dictate how hard she worked or what she could accomplish. She strived to be every bit as good as the "Big Girls". Her attention to detail and perfecting of her fundamental cheerleading skills established a work ethic and platform in which she was able to build on her craft and accomplish her goal of being a world champion cheerleader competitor. She always maintained a 3.5 GPA or higher. She was an exceptional athlete, teammate, student, and role model on all her teams.

The Celeste Alvarez award shall be given to the cheerleader who best embraces these characteristics in our current program this year. To be considered for the SPS Scholarship, you must meet the eligibility criteria as outlined. Applications who do not meet the scholarship criteria will not be considered. Applicants will be notified of the results no later than late March.

Scholarships will be awarded for 1 class of your choice a week for the period of 1 year. The year begins when class is decided upon (**Scholarship does not include registration fee**)

Please ensure that your application is accurate, complete and legible and submitted by the deadline. The SPS scholarship committee and Alvarez family will not consider incomplete or late applications. Should you have any questions regarding this application, please email Spiritprepschool@gmail.com

Good Luck!

Best Regards,

Catherine Vegos
