

Thank you for booking your bone density scan with IcMD

Things to know about your appointment:

- Location – 1880 Ellice Ave, Winnipeg Manitoba
- Please arrive 5-10 minutes before your appointment so we can onboard you in our system prior to your scan.
- If no one is at the front desk, please wait in the waiting room until someone comes to greet you.

Clothing:

- Wear loose fitting clothes and pants
- We will be scanning your hip bone which requires us to lower your pants far enough to scan.
- We will be scanning your spine through your stomach. This will require lifting your shirt up to your sternum.

Food:

- No fasting required. You may and should eat a regular meal. At the minimum, please eat something small. Gas bubbles from hunger may impede a proper scan.
- Avoid foods that cause gas. Gas bubbles can inhibit the ultrasound from seeing a proper view of your bones.

Cost:

- \$150.00
- Payable upon completion of your scan via debit or credit card.
- Bone density scans are covered & billable to any private insurance that has a spend account.
- A receipt from SonoHealth will be provided via email. A physical copy may be requested at your time of payment.

Reports:

- A comprehensive report on each area scanned will be provided.
- The technician cannot interpret your scan for you.
- Some generalised statements may be made by the technician, but you will need to take your report to a doctor for a proper evaluation.
- The reports will be emailed to you after your scan. Paper copies may be requested at your time of payment.

We look forward to seeing you at your appointment
