

**TECHNICAL FILE: DRONE D456 - ARTICLE D456012020**

**Rev 2 2020 April**

**Indication of materials, test data and primary test information.**

**Index of series.**

- 1) Introduction**
- 2) Test protocol for materials and standards**
- 3) Test information results to comply to EN standards**
- 4) Identification and images - identification tags**
- 5) Performance to regulatory standards**
- 6) Instructions for use**
- 7) Heat, pressure, humidity as well as fire testing**
- 8) Introduction to fitting, fit test and removal**
- 9) Introduction to the fit test**
- 10) Packaging units of measure and identification tags**
- 11) Sterilisation protocol**
- 12) Storage and delivery**
- 13) After use, recyclability**
- 14) Use of materials and safety**
- 15) Exemptions of use and liability.**
