

**CARAWAY SPEEDWAY ADDS TECH & TEST DAY TO SCHEDULE**  
*February 27<sup>th</sup> Available as Tech & Test Day for Competitors*

*(Spohia, NC): Caraway Speedway has added an optional Tech & Test day to the preseason schedule at the .455 mile track near Asheboro, NC.*

*Caraway Speedway Officials will be on hand to perform preseason Tech for those interested in competing at the speedway in 2021.*

*The new "Challenger" division is designed as an affordable support division with an affordable rules package. The intent is to have something teams without big budgets can support without a lot of travel. The "Challengers" and the 602 Modifieds are two of the divisions we want to focus on, on the 27<sup>th</sup> and this date gives them the opportunity to have Caraway Speedway Officials look their equipment over and prepare for the 2021 season.*

*All the 2021 Caraway Speedway divisions are welcome to attend the Tech & Test day on the 27<sup>th</sup> including the "Late Models", (formerly the Limited/Challenger division), Mini Stocks, UCARs, 602 Modifieds and Challengers.*

*The Tech Line will be open from 9:00 AM till 2:00 PM and the track will be open for practice from 3:00 PM till 5:00 PM on a rotating division basis.*

*There is no charge to competitors for the Tech Services or practice on the 27<sup>th</sup>.*

*Should weather be an issue on Saturday, the 27<sup>th</sup>, the rain date is on Sunday the 28<sup>th</sup> with the same schedule.*

*For more information check out the tracks updated website at [www.carawayspeedway.com](http://www.carawayspeedway.com) or like us on face book at Caraway Speedway. You may call the Caraway Speedway Office at 336-629-5803 and leave a message for a return call.*
