

Acer - Maple

CLUMP-FORM AMUR MAPLE *Acer ginnala*

MATURE SIZE:	20' x 15' (6 m x 5 m)	CROWN SHAPE:	Rounded
FALL FOLIAGE:	Red	HARDINESS:	Zone 2

Multi-stemmed specimen of this cold hardy species. Recognized for its deep-green, three-lobed leaves. Produces red samaras in late summer and scarlet leaves in fall.

ROYAL CROWN® AMUR MAPLE *Acer ginnala* 'JefUM'

MATURE SIZE:	20' x 15' (6 m x 5 m)	CROWN SHAPE:	Rounded
FALL FOLIAGE:	Burgundy-red	HARDINESS:	Zone 2

An alkali-resistant selection of Amur Maple from research done at the University of Manitoba. Three-lobed leaves with burgundy-red fall colour. Consistently maintains a three-stem clump.

RUBY SLIPPERS® AMUR MAPLE *Acer ginnala* 'Ruby Slippers'

MATURE SIZE:	20' x 15' (6 m x 5 m)	CROWN SHAPE:	Upright, rounded
FALL FOLIAGE:	Orange-red (late)	HARDINESS:	Zone 3

Selected for a straight trunk, dense canopy and bright red samaras in early summer.

TREE-FORM AMUR MAPLE *Acer ginnala*

MATURE SIZE:	20' x 15' (6 m x 5 m)	CROWN SHAPE:	Upright, rounded
FALL FOLIAGE:	Red	HARDINESS:	Zone 2

Single stem, tree-form specimen of this hardy species. Recognized for its deep-green, three-lobed leaves. Our seed source produces red samaras in summer and scarlet leaves in fall.

BARON BOXELDER MAPLE *Acer negundo* 'Baron'

MATURE SIZE:	50' x 30' (15 x 9 m)	CROWN SHAPE:	Rounded
FALL FOLIAGE:	Bright-yellow	HARDINESS:	Zone 2

A seedless selection from this rugged native species. Attractive emerald-green, compound foliage turns yellow in the fall. Well adapted to a wide range of growing conditions.

BOXELDER MAPLE *Acer negundo*

MATURE SIZE:	50' x 30' (15 x 9 m)	CROWN SHAPE:	Rounded
FALL FOLIAGE:	Bright-yellow	HARDINESS:	Zone 2

A native tree species found throughout southern Manitoba and Saskatchewan. Attractive, green compound foliage. Adapted to a range of growing conditions including difficult sites.

AUTUMN BLAZE® FREEMAN MAPLE *Acer x freemanii* 'Jeffersred'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Dense oval
FALL FOLIAGE:	Bright-red (late)	HARDINESS:	Zone 4

A hybrid between Red and Silver Maple with red fall colour in mid October. Requires a well-drained, sheltered site in the prairies.

REGAL CELEBRATION® FREEMAN MAPLE *Acer x freemanii* 'Jefcel'

MATURE SIZE:	45' x 30' (12 x 9 m)	CROWN SHAPE:	Broad oval
FALL FOLIAGE:	Bright-red	HARDINESS:	Zone 2

New listing for 2018. A fast-growing hybrid between Red and Silver Maple with outstanding red fall colour in late September. Seedless selection shows rapid growth in prairie soils.

DEBORAH NORWAY MAPLE *Acer platanoides* 'Deborah'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Broadly oval
SPRING FOLIAGE:	Purple	HARDINESS:	Zone 3b

Purple spring foliage followed by dark green summer foliage. Requires a well-drained, sheltered site in the prairies. Collector tree for the prairie gardener.

PRAIRIE SPLENDOR NORWAY MAPLE *Acer platanoides* 'Prairie Splendor'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Broadly oval
SPRING FOLIAGE:	Purple	HARDINESS:	Zone 3b

Purple foliage throughout the summer. Requires a well-drained, sheltered site in the prairies.

PRAIRIE ROUGE® RED MAPLE *Acer rubrum* 'Jefrouge'

MATURE SIZE:	30' x 15' (12 x 8 m)	CROWN SHAPE:	Narrow, upright
FALL FOLIAGE:	Bright, red	HARDINESS:	Zone 2

New listing for 2018. Selected from NW Ontario, Prairie Rouge is a narrow, accent tree with tolerance to alkaline soil and outstanding red fall colour in September. **Limited pre-release.**

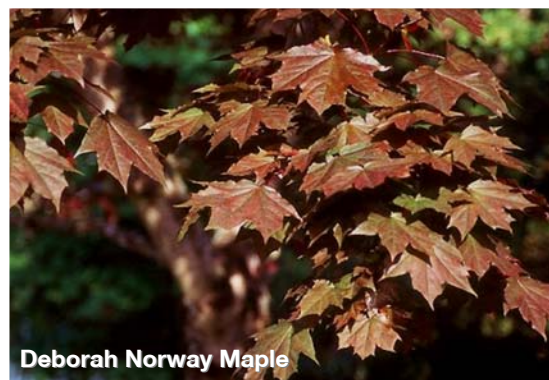

Boxelder Maple

Autumn Blaze Freeman Maple

Regal Celebration Freeman Maple

Deborah Norway Maple

Hot Wings[®] Tatarian Maple

Prairie Horizon[®] Alder

Acer - Maple

SILVER CLOUD[®] SILVER MAPLE *Acer saccharinum* 'Silver Cloud'

MATURE SIZE:	60' x 30' (18 x 9 m)	CROWN SHAPE:	Upright, oval
FALL FOLIAGE:	Yellow	HARDINESS:	Zone 3

This seedless selection has improved cold hardiness, upright crown and symmetrical branching. A fast-growing shade tree for the southern prairies. Prairie Shade Nursery introduction.

LORD SELKIRK SUGAR MAPLE *Acer saccharum* 'Jefselk'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Upright
FALL FOLIAGE:	Orange-yellow	HARDINESS:	Zone 3

A northern seed source of Sugar Maple with good adaptation to conditions in the southern prairies. Named in honor of the 200th anniversary of the Selkirk settlement.

INFERNO[®] SUGAR MAPLE *Acer saccharum* 'Jeferno'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Upright, rounded
FALL FOLIAGE:	Orange-red	HARDINESS:	Zone 2

Our most recent selection of Canada's national tree with exceptional orange-red fall colour. Prefers rich, well drained soil and a sheltered location. Jeffries Nurseries introduction.

UNITY[®] SUGAR MAPLE *Acer saccharum* 'Jefcan'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Upright, rounded
FALL FOLIAGE:	Orange-yellow	HARDINESS:	Zone 3

A cold hardy selection of Canada's national tree with 5-lobed foliage and yellow-orange fall colour. Prefers rich, well drained soil and a sheltered location. Jeffries Nurseries introduction.

HOT WINGS[®] TATARIAN MAPLE *Acer tataricum* 'GarAnn'

MATURE SIZE:	20' x 18' (7 x 6 m)	CROWN SHAPE:	Upright, spreading
FALL FOLIAGE:	Yellow (late)	HARDINESS:	Zone 2

An excellent small tree, this recent selection of Tatarian Maple offers dark green foliage and bright red samaras. Tolerant of drought and alkaline soils. USPP #15,023

Aesculus - Buckeye

OHIO BUCKEYE *Aesculus glabra*

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Rounded
FALL FOLIAGE:	Orange-red	HARDINESS:	Zone 2

Long lived, slow-growing tree with globe-shaped head. Compound foliage develops excellent orange-red fall colour in mid September. Nuts attract wildlife.

AUTUMN SPLENDOR BUCKEYE *Aesculus x 'Autumn Splendor'*

MATURE SIZE:	35' x 25' (11 x 8 m)	CROWN SHAPE:	Oval to rounded
FALL FOLIAGE:	Maroon-red	HARDINESS:	Zone 2

Hybrid buckeye cultivar from the University of Minnesota Landscape Arboretum. Scorch-resistant foliage turns maroon-red in the fall. Yellow-red flowers seldom give rise to fruit.

Alnus - Alder

PRAIRIE HORIZON[®] MANCHURIAN ALDER *Alnus hirsuta* 'Harbin'

MATURE SIZE:	35' x 20' (11 x 7 m)	CROWN SHAPE:	Upright
FALL FOLIAGE:	Yellow	HARDINESS:	Zone 2

A fast-growing, cold hardy tree for difficult, dry locations. Dark green foliage, purple catkins followed by brown strobiles (resembling tiny pine cones) in fall. NDSU introduction.

Betula - Birch

CUTLEAF WEEPING BIRCH *Betula pendula laciniata*

MATURE SIZE:	40' x 25' (12 x 8 m)	CROWN SHAPE:	Weeping
FALL FOLIAGE:	Bright-yellow	HARDINESS:	Zone 2

A graceful, white barked tree with fine, lacy dark-green foliage on long, drooping branches.

CLUMP PAPER BIRCH *Betula papyrifera*

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Oval, rounded
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 2

An attractive native tree grown as a 3-4 stemmed specimen. Prefers abundant moisture.

Betula - Birch

SINGLE-STEM PAPER BIRCH

Betula papyrifera

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Oval, rounded
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 2

An attractive native tree grown as a single stem specimen. As the tree matures the brown bark peels off and a chalk-white coloured bark appears. Prefers abundant moisture.

DAKOTA PINNACLE® ASIAN WHITE BIRCH

Betula platyphylla 'Fargo'

MATURE SIZE:	30' x 12' (10 x 4 m)	CROWN SHAPE:	Very upright
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 2

Upright selection of Asian White Birch with dense green foliage and chalk white bark. The pointy leaves turn yellow in late fall. NDSU introduction. USPP #10,963

PARKLAND PILLAR® ASIAN WHITE BIRCH

Betula platyphylla 'Jefpark'

MATURE SIZE:	30' x 9' (10 x 3 m)	CROWN SHAPE:	Columnar
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 2

A columnar selection of Asian White Birch selected by Dwayne Beck of Parkland Nurseries in Red Deer, Alberta. Dark-green foliage turns a showy, golden yellow in fall. Features attractive white bark throughout the year. Jeffries Nurseries introduction. CPBR #4513, USPP #25,468

PRAIRIE DREAM® PAPER BIRCH

Betula papyrifera 'Varen'

MATURE SIZE:	50' x 35' (15 x 11 m)	CROWN SHAPE:	Broad oval
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 2

A stress tolerant selection of Paper Birch from North Dakota. Deep green foliage & exfoliating, snow-white bark. NDSU introduction. USPP #15,768

ROYAL FROST® HYBRID BIRCH

Betula x 'Royal Frost'

MATURE SIZE:	40' x 20' (12 x 6 m)	CROWN SHAPE:	Upright
SUMMER FOLIAGE:	Purple	HARDINESS:	Zone 3b

A hybrid between cultivars 'Whitespire' and 'Crimson Frost'. Royal Frost offers burgundy foliage from spring through summer. White bark develops with maturity. Resistance to Bronze Birch Borer.

Caragana - Caragana

GREEN SPIRES® HYBRID CARAGANA

Caragana x 'Jefarb'

MATURE SIZE:	12' x 8' (4 x 2.5 m)	CROWN SHAPE:	Upright, rounded
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 2

A seedless hybrid from a cross between *Caragana arborescens* and *C. frutex*. Dark green foliage is resistant to insects and disease. Selected by Greg Morganson of Bismarck, N.D.

Celtis - Hackberry

DELTA HACKBERRY

Celtis occidentalis

MATURE SIZE:	50' x 40' (15 x 12 m)	CROWN SHAPE:	Spreading, rounded
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 2

A rare, native species sourced from Delta, Manitoba. Hackberry has a growth form similar to American Elm and is a suitable tree for extreme city conditions. Bark is corky and rough.

Crataegus - Hawthorn

SNOWBIRD HAWTHORN

Crataegus x mordenensis 'Snowbird'

MATURE SIZE:	20' x 15' (6 m x 5 m)	CROWN SHAPE:	Upright, rounded
FLOWERS:	Double-white	HARDINESS:	Zone 3

A seedling of 'Toba' with improved cold hardiness. Known for its double white flowers and sparse fruit. Introduced by the Morden Research Station in 1967.

TOBA HAWTHORN

Crataegus x mordenensis 'Toba'

MATURE SIZE:	20' x 15' (6 m x 5 m)	CROWN SHAPE:	Upright, rounded
FLOWERS:	White, then pink	HARDINESS:	Zone 3b

Fragrant, double white spring flowers turn pink with time and are followed by showy red fruit in fall. Glossy, deep green, disease resistant foliage.

Parkland Pillar® Asian White Birch

Royal Frost Hybrid Birch

Delta Hackberry

Toba Hawthorn

Mancana Manchurian Ash

Fraxinus - Ash

MANCANA MANCHURIAN ASH

Fraxinus mandshurica 'Mancana'

MATURE SIZE: 40' x 35' (13 x 11 m)
FALL FOLIAGE: Golden

CROWN SHAPE: Oval
HARDINESS: Zone 2b

The feather-like leaves, dense compact canopy and oval form make this one of our most attractive trees. Deep-green foliage turns golden-yellow in fall. A seedless cultivar, Mancana has shown resistance to Emerald Ash Borer in American research trials.

NORTHERN TREASURE HYBRID ASH

Fraxinus x 'Northern Treasure'

MATURE SIZE: 50' x 30' (15 x 9 m)
FALL FOLIAGE: Golden

CROWN SHAPE: Upright
HARDINESS: Zone 2

A seedless hybrid which combines the native Black Ash with the exotic Manchurian Ash. Develops a dense oval-shaped canopy of deep-green foliage. Cold hardy and disease resistant, Northern Treasure has also shown partial resistance to Emerald Ash Borer in American research trials. Morden Research Centre introduction. USPP #11,840

NOBILITY® WHITE ASH

Fraxinus americana 'Jefwis'

MATURE SIZE: 50' x 30' (15 x 9 m)
FALL FOLIAGE: Purple

CROWN SHAPE: Upright
HARDINESS: Zone 2

A seedless selection of White Ash selected from a northern Wisconsin seed source by Dr. Philip Ronald. Nobility® possesses upright branching, oval-shaped crown and clean foliage. Foliage turns a deep purple colour early in the fall. A Jeffries Nurseries introduction.

Nobility® White Ash

PRAIRIE SPIRE® GREEN ASH

Fraxinus pennsylvanica 'Rugby'

MATURE SIZE: 50' x 30' (15 x 9 m)
FALL FOLIAGE: Golden

CROWN SHAPE: Upright, oval-shaped
HARDINESS: Zone 2

A seedless Green Ash selected by Dr. Dale Herman for cold hardiness and survival under harsh conditions. Attractive foliage is glossy and deep green. NDSU Introduction.

Gleditsia - Honeylocust

NORTHERN ACCLAIM® HONEYLOCUST

Gleditsia triacanthos 'Harve'

MATURE SIZE: 40' x 35' (13 m x 11 m)
FALL FOLIAGE: Golden

CROWN SHAPE: Open, spreading
HARDINESS: Zone 3b

A thornless, seedless cultivar from NDSU selected for superior winter hardiness. Fine, lacy dark-green foliage turns yellow in fall. Select a protected planting site for best success.

Juglans - Walnut

BLACK WALNUT

Juglans nigra

MATURE SIZE: 45' x 30' (15 x 9 m)
FALL FOLIAGE: Light-yellow

CROWN SHAPE: Oval to rounded
HARDINESS: Zone 3

An attractive tree whose natural range reaches central Minnesota, it is suitably adapted to well-drained, sheltered locations in the prairies. Large compound leaves and round edible nuts.

BUTTERNUT

Juglans cinerea

MATURE SIZE: 45' x 30' (15 x 9 m)
FALL FOLIAGE: Light-yellow

CROWN SHAPE: Broad globe-shaped
HARDINESS: Zone 2b

Differs from Black Walnut in that it has oblong fruit, and bark that is lighter in colour and much smoother. Well adapted to well-drained prairie soils.

Butternut

Malus - Ornamental Crabapple

EMERALD SPIRE® ROSYBLOOM CRABAPPLE *Malus x adstringens* 'Jefgreen'

MATURE SIZE: 20' x 8' (6 m x 2.5 m) CROWN SHAPE: Columnar
 FLOWERS: Pink HARDINESS: Zone 3

A columnar selection related to Purple Spire. Silver-green, disease-resistant foliage; abundant pink flowers in spring and red fruit in late summer. CPBR #4,684, USPP #23,863

GLADIATOR® ROSYBLOOM CRABAPPLE *Malus x adstringens* 'Durleo'

MATURE SIZE: 20' x 13' (6 m x 4 m) CROWN SHAPE: Upright
 FLOWERS: Pink HARDINESS: Zone 2

An attractive rosybloom with glossy purple leaves, pink flowers, small purple ornamental fruit, and an upright crown form. Prairie Shade Nursery introduction. USPP #20,167

PINK SPIRES ROSYBLOOM CRABAPPLE *Malus x adstringens* 'Pink Spires'

MATURE SIZE: 20' x 12' (6 m x 4 m) CROWN SHAPE: Narrow, upright
 FLOWERS: Lavender-pink HARDINESS: Zone 2

This upright grower has red-purple spring foliage maturing to green as season progresses. The flowers are lavender-pink in colour; fruit is red and persistent. Developed by Les Kerr.

PURPLE SPIRE® ROSYBLOOM CRABAPPLE *Malus x adstringens* 'Jefspire'

MATURE SIZE: 20' x 6' (6 m x 2 m) CROWN SHAPE: Columnar
 FLOWERS: Rose-pink (few) HARDINESS: Zone 3

Purple Spire is outstanding for its compact, columnar form and showy purple foliage. Pink flowers in spring followed by purple fruit. Introduced by Jeffries and Bylands Nurseries.

ROYAL BEAUTY ROSYBLOOM CRABAPPLE *Malus x adstringens* 'Royal Beauty'

MATURE SIZE: 9' x 6' (3 m x 2 m) CROWN SHAPE: Weeping
 FLOWERS: Rose-pink HARDINESS: Zone 2

An attractive weeping tree with pink flowers and red-bronze leaves. Small dark-red fruit remain on the tree throughout the winter months.

ROYAL MIST® ROSYBLOOM CRABAPPLE *Malus x adstringens* 'Jefmist'

MATURE SIZE: 20' x 9' (6 m x 3 m) CROWN SHAPE: Upright
 FLOWERS: Fuchsia-pink HARDINESS: Zone 2

An upright Rosybloom resulting from a cross between 'Shaughnessy Cohen' and 'Thunderchild'. Outstanding deep-pink flowers in spring. Purple spring foliage.

SHAUGHNESSY COHEN ROSYBLOOM CRAB *Malus x adstringens* 'S. Cohen'

MATURE SIZE: 25' x 20' (8 m x 6 m) CROWN SHAPE: Rounded
 FLOWERS: Fuchsia-pink HARDINESS: Zone 2

One of the first crabapples to leaf in the spring, Shaughnessy Cohen offers red-tinted foliage and outstanding deep-pink flowers. A Morden Research Station introduction.

SPRING SNOW FLOWERING CRABAPPLE *Malus baccata* 'Spring Snow'

MATURE SIZE: 25' x 20' (8 m x 6 m) CROWN SHAPE: Rounded
 FLOWERS: White HARDINESS: Zone 2

An attractive tree with fragrant, white flowers in the spring and glossy green foliage throughout the growing season. This cultivar does not produce fruit.

STARLITE® FLOWERING CRABAPPLE *Malus baccata* 'Jefstar'

MATURE SIZE: 25' x 15' (8 m x 5 m) CROWN SHAPE: Upright
 FLOWERS: White HARDINESS: Zone 2

Derived from a cross between 'Spring Snow' and 'Rostern', Starlite has upright branching. This cultivar also offers fragrant white flowers, glossy green foliage and tiny red fruit that are retained into winter. Excellent resistance to foliar diseases including apple scab.

THUNDERCHILD ROSYBLOOM CRABAPPLE *Malus x adstringens* 'Thunderchild'

MATURE SIZE: 20' x 15' (6 m x 5 m) CROWN SHAPE: Upright, spreading
 FLOWERS: Rose-pink HARDINESS: Zone 2

A flowering crabapple with oval crown and leaves that turn deep purple during the growing season. Small red fruit in late summer. Resistant to fireblight.

Emerald Spire® Rosybloom Crabapple

Gladiator® Rosybloom Crabapple

Starlite® Flowering Crabapple

Ironwood

DECIDUOUS TREES

Ostrya - Ironwood

IRONWOOD		<i>Ostrya virginiana</i>	
MATURE SIZE:	30' x 20' (10 x 6 m)	CROWN SHAPE:	Oval to rounded
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 3

A slow-growing, medium-sized tree with slender spreading branches. Hop-like fruits add interest in late summer. Leaves persist into winter. Tolerant of dry locations. Minnesota seed source.

Populus - Poplar / Aspen

ASSINIBOINE HYBRID POPLAR		<i>Populus x 'Assiniboine'</i>	
MATURE SIZE:	50' x 15' (15 x 5 m)	CROWN SHAPE:	Semi-upright
FALL FOLIAGE:	Yellow	HARDINESS:	Zone 2

This seedless clone has a rapid growth rate and a fairly narrow crown. It is resistant to stem canker, leaf rust and poplar bud gall mite.

GUARDIAN® COLUMNAR ASPEN		<i>Populus x 'Jefguard'</i>	
MATURE SIZE:	40' x 10' (12 m x 3 m)	CROWN SHAPE:	Columnar
FALL FOLIAGE:	Yellow	HARDINESS:	Zone 2

A complex aspen poplar hybrid with a moderate level of bronze leaf disease resistance. A male seedless tree, Guardian provides a fast-growing, vertical element to the prairie landscape. Young trees may require some shearing to develop a fullness. Growth rate similar to other columnar aspen poplars.

NORTHWEST POPLAR		<i>Populus x jaackii 'Northwest'</i>	
MATURE SIZE:	50' x 40' (15 x 12 m)	CROWN SHAPE:	Broad, oval
FALL FOLIAGE:	Golden yellow	HARDINESS:	Zone 2

A fast-growing, seedless tree with large leaves. Valued as a shelterbelt tree due its hardiness and drought tolerance. Best growth on moist soils.

PRAIRIE SKY HYBRID POPLAR		<i>Populus x canadensis 'Prairie Sky'</i>	
MATURE SIZE:	65' x 16' (21 x 5 m)	CROWN SHAPE:	Narrow, upright
FALL FOLIAGE:	Yellow	HARDINESS:	Zone 3

A seedless selection with upright form derived from a cross between *P. deltoides* and *P. nigra* 'Thevistina'. Very fast growing and long-lived. Resistant to stem canker and leaf rust.

SKYFEST COTTONWOOD POPLAR		<i>Populus deltoides 'Jefcot'</i>	
MATURE SIZE:	80' x 30' (24 x 9 m)	CROWN SHAPE:	Upright
FALL FOLIAGE:	Yellow	HARDINESS:	Zone 2

A seedless cottonwood selected for its high disease resistance, vigour and upright growth form. Excellent for naturalizing and parks. Introduced by Jeffries Nurseries.

SUNDANCER HYBRID POPLAR		<i>Populus x 'ACWS151'</i>	
MATURE SIZE:	50' x 13' (15 x 4 m)	CROWN SHAPE:	Columnar
FALL FOLIAGE:	Golden yellow	HARDINESS:	Zone 2

Hybrid poplar with narrow, upright form. Selected for resistance to bronze leaf disease which will attack Tower Poplar and Swedish Columnar Aspen. PFRA introduction.

TREMBLING ASPEN		<i>Populus tremuloides</i>	
MATURE SIZE:	50' x 30' (15 x 9 m)	CROWN SHAPE:	Pyramidal-rounded
FALL FOLIAGE:	Golden-yellow	HARDINESS:	Zone 1

Native tree noted for white bark and green foliage which quivers in the breeze. Golden fall colour. Susceptible to bronze leaf disease.

Prunus - Cherry

GOLDSPUR® AMUR CHERRY		<i>Prunus maackii 'Jefspur'</i>	
MATURE SIZE:	15' x 10' (5 m x 3 m)	CROWN SHAPE:	Upright
FLOWERS:	White racemes	HARDINESS:	Zone 2

A dwarf selection of Amur Cherry with controlled growth and unique tufts of dark green foliage. Small clusters of white flowers give rise to tiny black fruit. Golden fall colour. Discovered by Dr. Philip Ronald in Saskatoon, SK. CPBR #3,903, USPP #19,665

Guardian Columnar Aspen

Sundancer Poplar

Goldspur Amur Cherry

Prunus - Cherry

KLONDIKE® AMUR CHERRY *Prunus maackii* 'Jefdike'

MATURE SIZE:	25' x 15' (8 m x 5 m)	CROWN SHAPE:	Upright, rounded
FLOWERS:	White racemes	HARDINESS:	Zone 2

An improved selection of Amur Cherry with regular growth rate and improved resistance to frost cracking. Orange-red exfoliating bark. Developed by Jeffries Nurseries Ltd.

MING® AMUR CHERRY *Prunus maackii* 'Ming'

MATURE SIZE:	25' x 15' (8 m x 5 m)	CROWN SHAPE:	Upright
FLOWERS:	White racemes	HARDINESS:	Zone 2

New listing for 2018. A unique selection of Amur Cherry with vigorous growth rate, glossy foliage and brown-red exfoliating bark.

SCHUBERT CHOKECHERRY *Prunus virginiana* 'Schubert'

MATURE SIZE:	25' x 20' (8 m x 6 m)	CROWN SHAPE:	Oval, rounded
FLOWERS:	White racemes	HARDINESS:	Zone 2

This classic cultivar of the native chokecherry has leaves that are green when young but turn dark-purple as summer progresses. More resistant to black knot than Canada Red.

SPUR SCHUBERT CHOKECHERRY *Prunus virginiana* 'Spur Schubert'

MATURE SIZE:	20' x 15' (8 m x 5 m)	CROWN SHAPE:	Oval, rounded
FLOWERS:	White racemes	HARDINESS:	Zone 2

Small, oval-shaped tree. Showy white flowers in spring followed by purple foliage in summer. More resistant to black knot than Canada Red.

Prunus - Plum

MUCKLE HYBRID PLUM *Prunus x nigrella* 'Muckle'

MATURE SIZE:	15' x 10' (5 m x 3 m)	CROWN SHAPE:	Upright, rounded
FLOWERS:	Pink	HARDINESS:	Zone 2

A small tree with outstanding spring flowers. The flowers are a showy bright pink, emerging from bright red flower buds. A hybrid between Canada Plum and Russian Almond.

PRINCESS KAY CANADA PLUM *Prunus nigra* 'Princess Kay'

MATURE SIZE:	15' x 10' (5 m x 3 m)	CROWN SHAPE:	Upright, narrow
FLOWERS:	Double white	HARDINESS:	Zone 2

A hardy selection of native plum from the University of Minnesota. Showy, double white flowers and deep green foliage. Excellent feature tree in the home landscape.

Quercus - Oak

BUR OAK *Quercus macrocarpa*

MATURE SIZE:	80' x 60' (24 x 18 m)	CROWN SHAPE:	Rounded, open
FALL FOLIAGE:	Golden to brown	HARDINESS:	Zone 2

A native to Manitoba, Bur Oak is slow growing, long-lived, adaptable to a wide range of soils and is very tolerant to drought.

SHOOTING STAR® NORTHERN PIN OAK *Quercus ellipsoidalis* 'DurMarg'

MATURE SIZE:	50' x 35' (15 x 12 m)	CROWN SHAPE:	Broad, oval
FALL FOLIAGE:	Scarlet-red	HARDINESS:	Zone 2

A cold hardy selection of Northern Pin Oak, bud grafted on Bur Oak rootstock. The result is a shade tree that tolerates the dry, alkaline soils of the prairie region. Glossy green foliage turns deep red in October. Prairie Shade Nursery introduction.

ADMIRATION® HYBRID OAK *Quercus x jackiana* 'Jefmir'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Pyramidal
FALL FOLIAGE:	Yellow green	HARDINESS:	Zone 2

An outstanding hybrid oak (*Q. alba* x *Q. bicolor*) found growing as a mature street tree in Saskatoon, SK. Admission features an excellent growth rate, shaggy bark and glossy dark green foliage. Leaves turn golden in the fall and are retained into the winter. Bud grafted on Bur Oak rootstock. A Jeffries Nurseries introduction.

Muckle Plum

Princess Kay Plum

Bur Oak

Shooting Star® Northern Pin Oak

Lace Weeping Willow

Black Hawk Mountain Ash

Oakleaf Mountain Ash

Salix - Willow

ACUTE LEAF WILLOW

Salix acutifolia

MATURE SIZE: 60' x 30' (18m x 9 m)
TWIG COLOUR: Red-brown

CROWN SHAPE: Upright, rounded
HARDINESS: Zone 2

One of the best shelterbelt trees because it is fast-growing and does not drop its branches as easily as other willows. Foliage is green and stems are reddish-brown.

GOLDEN WILLOW

Salix alba 'Vitellina'

MATURE SIZE: 60' x 30' (18m x 9 m)
TWIG COLOUR: Golden

CROWN SHAPE: Upright, rounded
HARDINESS: Zone 2

The fastest growing of the willows. Its branches turn colour from bright yellow to golden as they mature and are very attractive in the winter.

LACE WEEPING WILLOW

Salix babylonica 'Lace'

MATURE SIZE: 40' x 30' (12 x 9 m)
TWIG COLOUR: Red-brown

CROWN SHAPE: Weeping
HARDINESS: Zone 3

Fast growing, weeping willow from China. Long, bright-green leaves turn yellow in fall.

LAUREL LEAF WILLOW

Salix pentandra

MATURE SIZE: 60' x 30' (18 x 9 m)
TWIG COLOUR: Red-brown

CROWN SHAPE: Upright, rounded
HARDINESS: Zone 2

An excellent tree for a quick privacy screen or as a shelterbelt. Grows well in moist locations. Attractive leathery, glossy-green leaves. This willow can be maintained as a shade tree.

PRAIRIE CASCADE WEEPING WILLOW

Salix x 'Prairie Cascade'

MATURE SIZE: 40' x 30' (12 x 9 m)
TWIG COLOUR: Golden-yellow

CROWN SHAPE: Weeping
HARDINESS: Zone 3

The hardiest weeping willow for the prairies. Glossy, dark green leaves in summer and golden stem colour in the winter. Prefers moist soils.

SILKY WHITE WILLOW

Salix alba 'Sericea'

MATURE SIZE: 50' x 30' (15 x 9 m)
SUMMER FOLIAGE: Silver

CROWN SHAPE: Narrow, open
HARDINESS: Zone 2

A fast growing tree with silvery leaves and reddish-brown twigs. The only large shelterbelt tree for the prairies with silver foliage.

Sorbus - Mountain Ash

BLACK HAWK MOUNTAIN ASH

Sorbus aucuparia 'Black Hawk'

MATURE SIZE: 30' x 20' (10 m x 6 m)
FALL FOLIAGE: Orange-red

CROWN SHAPE: Upright, rounded
HARDINESS: Zone 2

This hardy selection of European Mountain Ash has more resistance to sun scald. White blooms give way to orange fruit in late summer.

RUSSIAN MOUNTAIN ASH

Sorbus aucuparia 'Rossica'

MATURE SIZE: 30' x 15' (10 m x 5 m)
FALL FOLIAGE: Orange-red

CROWN SHAPE: Upright, pyramidal
HARDINESS: Zone 2

A cold hardy selection of European Mountain Ash with a dense, upright crown, showy orange-red berries and large, dark green leaves with more regular teeth.

SHOWY MOUNTAIN ASH

Sorbus decora

MATURE SIZE: 25' x 20' (8 m x 6 m)
FALL FOLIAGE: Orange-red

CROWN SHAPE: Rounded
HARDINESS: Zone 2

The hardiest and slowest growing member of this genus. Its foliage and flowers are similar to European, but berries are bright red. Moderate resistance to fireblight.

OAKLEAF MOUNTAIN ASH

Sorbus thuringiaca 'Fastigiata'

MATURE SIZE: 25' x 20' (8 m x 6 m)
FALL FOLIAGE: Orange-red

CROWN SHAPE: Upright, oval
HARDINESS: Zone 3b

An outstanding ornamental tree for the prairies. Unique, oak-shaped leaves are green with a white underside. Creamy-white flowers are followed by red berries.

Syringa - Tree Lilac

GOLDEN ECLIPSE TREE LILAC *Syringa reticulata* 'Golden Eclipse'

MATURE SIZE:	23' x 20' (7 m x 6 m)	CROWN SHAPE:	Compact, upright
Flowers:	White, fragrant	HARDINESS:	Zone 2

A small accent tree with golden-yellow and green variegated foliage combined with creamy-white, fragrant flowers that bloom in late June. J.C. Bakker Nurseries introduction.

IVORY PILLAR TREE LILAC *Syringa reticulata* 'Willamette'

MATURE SIZE:	23' x 15' (7 m x 5 m)	CROWN SHAPE:	Pyramidal
Flowers:	White, fragrant	HARDINESS:	Zone 2

Stunning white flowers adorn the tree in early summer, but what sets this selection apart is the pyramid-like shape of its canopy. A Carlton Plants introduction.

IVORY SILK TREE LILAC *Syringa reticulata* 'Ivory Silk'

MATURE SIZE:	23' x 20' (7 m x 6 m)	CROWN SHAPE:	Compact, oval
Flowers:	White, fragrant	HARDINESS:	Zone 2

This small tree has cherry-like bark, glossy foliage and spectacular creamy-white, fragrant flowers that bloom in June. No disease or insect problems. A Sheridan Nursery introduction.

Ivory Pillar Tree Lilac

Tilia - Linden

AMERICAN LINDEN *Tilia americana*

MATURE SIZE:	60' x 40' (18 x 12 m)	CROWN SHAPE:	Pyramidal to round
FALL FOLIAGE:	Golden	HARDINESS:	Zone 2

This native tree is highly regarded on the prairies for its large dark-green leaves, fragrant flowers and broad crown. Adapted to many soils, but will not tolerate drought.

DROPMORE HYBRID LINDEN *Tilia x flavescens* 'Dropmore'

MATURE SIZE:	50' x 30' (15 x 9 m)	CROWN SHAPE:	Broad, pyramidal
FALL FOLIAGE:	Golden (late)	HARDINESS:	Zone 2

A hybrid of American and Littleleaf Lindens that is characterized by dark green foliage and a dense, pyramidal crown. Offers superior growth and cold hardiness over Littleleaf Linden.

GLENLEVEN HYBRID LINDEN *Tilia x flavescens* 'Glenleven'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Broad, pyramidal
FALL FOLIAGE:	Golden (late)	HARDINESS:	Zone 3

A fast growing hybrid with a straight trunk and large leaves. Attractive pyramidal form. Golden fall foliage colour. Developed by Sheridan Nursery.

GOLDEN CASCADE LITTLELEAF LINDEN *Tilia cordata* 'Golden Cascade'

MATURE SIZE:	40' x 25' (12 x 8 m)	CROWN SHAPE:	Cascading, pyramidal
FALL FOLIAGE:	Golden	HARDINESS:	Zone 2

This unique introduction offers cascading branches and medium sized, deep green leaves. Excellent golden fall foliage. Developed by Jeffries Nurseries Ltd.

GREENSPIRE® LITTLELEAF LINDEN *Tilia cordata* 'Greenspire'

MATURE SIZE:	40' x 30' (12 x 10 m)	CROWN SHAPE:	Narrow pyramidal
FALL FOLIAGE:	Golden (late)	HARDINESS:	Zone 3

A suitable choice for street planting with a straight trunk, dense crown and leathery dark-green foliage.

HARVEST GOLD® MONGOLIAN LINDEN *Tilia mongolica* 'Harvest Gold'

MATURE SIZE:	40' x 25' (12 x 8 m)	CROWN SHAPE:	Upright, oval
FALL FOLIAGE:	Golden	HARDINESS:	Zone 2

An outstanding tree known for its upright form, disease-free foliage, golden fall colour and exfoliating bark. Developed by Jeffries Nurseries Ltd. USPP #12,232

NORLIN® LITTLELEAF LINDEN *Tilia cordata* 'Ronald'

MATURE SIZE:	50' x 30' (15 x 9 m)	CROWN SHAPE:	Broad, pyramidal
FALL FOLIAGE:	Golden	HARDINESS:	Zone 3

A hardy selection of Littleleaf Linden noted for its rapid growth, resistance to leaf spot, leaf gall, and improved resistance to sunscald. Developed by Jeffries Nurseries. USPP #8,239.

Golden Cascade Linden

Harvest Gold Linden

True North[®] American Linden

Tilia - Linden

TRUE NORTH AMERICAN LINDEN *Tilia americana* 'Duros'

MATURE SIZE:	60' x 30' (18 x 9 m)	CROWN SHAPE:	Upright
FALL FOLIAGE:	Golden	HARDINESS:	Zone 2

A superior narrow form of the native American Linden selected by Rick Durand. Dark green summer foliage. Adapted to many soils, but will not tolerate drought.

Ulmus - Elm

AMERICAN ELM *Ulmus americana*

MATURE SIZE:	65' x 40' (21 x 12 m)	CROWN SHAPE:	Vase-shaped
FALL FOLIAGE:	Golden	HARDINESS:	Zone 2

Seedling of this useful native tree species. Attractive vase-like crown provides excellent shade. Tolerates urban conditions extremely well. Variable response to DED.

BRANDON AMERICAN ELM *Ulmus americana* 'Brandon'

MATURE SIZE:	65' x 40' (21 x 12 m)	CROWN SHAPE:	Vase-shaped
FALL FOLIAGE:	Golden	HARDINESS:	Zone 2

A good choice as a large street tree where DED is controlled in a managed program. Classic dark-green foliage and umbrella-shaped crown.

PRAIRIE EXPEDITION[®] AMERICAN ELM *Ulmus americana* 'Lewis & Clark'

MATURE SIZE:	60' x 40' (20 x 12 m)	CROWN SHAPE:	Vase-shaped
FALL FOLIAGE:	Golden	HARDINESS:	Zone 2

A North Dakota selection of American Elm with a high level of resistance to DED. Classic dark-green foliage and umbrella-shaped crown. NDSU introduction.

Prairie Expedition[®] American Elm

DISCOVERY[®] JAPANESE ELM *Ulmus davidiana japonica* 'Discovery'

MATURE SIZE:	40' x 30' (12 x 9 m)	CROWN SHAPE:	Vase-shaped
FALL FOLIAGE:	Golden	HARDINESS:	Zone 3

A hardy Elm for the northern plains selected by Rick Durand of Prairie Shade Nursery. Similar to American Elm in tree form with resistance to Dutch Elm disease. USPP #10,558.

TRIUMPH[®] HYBRID ELM *Ulmus x* 'Morton Glossy'

MATURE SIZE:	60' x 40' (20 x 12 m)	CROWN SHAPE:	Vase-shaped
FALL FOLIAGE:	Yellow-green	HARDINESS:	Zone 3

DED-resistant, hybrid elm with strong branching, dark-green foliage and excellent pest resistance. Derived from a cross between hybrid elm

Triumph[®] Hybrid Elm
