

# When plumbing professionals want peace of mind, they choose Tribal.

Callbacks can eat into already slim profit margins. Why take the risk with lower quality materials?

## Tribal's ASTM F1960 Fittings give you:

- Quick turnaround times from order to shipment.
- Pride from buying 100% American engineered and manufactured parts.
- 12-year warranty
- Tribal's 1960 Expansion sleeves are NSF listed and made in Marshall, MI.
- Products NSF listed to lead free standards.
- Safe Water Drinking Act compliant.
