

A collaborative approach to personal and community health through education, prevention, and healthcare services

Our Board Meetings

Attending our monthly board meetings is a great way to stay informed with how we are responding to the needs of the community and ensuring that residents are enjoying optimal health through the delivery of wellness services. Attending our meetings will also give you the opportunity to express your ideas, concerns, and public comments.

Our regular board meetings are held the fourth Tuesday of each month (with rare exceptions around holidays). At this time, and to better accommodate your needs, our meetings are being held both in person and virtually. Our next meeting will be held at **6:30 P.M. on May 24th**. We look forward to seeing you and serving you.
