## Minutes of the Regular Board Meeting Del Norte Healthcare District May 28, 2024 @ 5:30 p.m.

## Regular Meeting

1. CALL TO ORDER: Meeting was called to order at 6:30 p.m.

## 2. ROLL CALL:

Present: Directors Babich, Caldwell, Young and Chair Pearcey.

Absent: Director Mason

3. **PUBLIC COMMENT:** None currently.

## 4. CONSENT CALENDAR:

- a. Ratification of invoices paid from 4/18/2024 5/22/2024.
- b. Approval of financial report for April 2024.

Director Caldwell made a motion to approve the consent calendar. Director Babich seconded the motion.

Motion passed 4 - 0.

5. REVIEW/POSSIBLE REVISION AND APPROVAL OF THE MINUTES FROM THE APRIL 23, 2024, MEETING.

Director Young made a motion to approve the minutes as submitted. Director Caldwell seconded the motion.

Motion passed 4 - 0.

## 6. **COMMUNICATIONS:**

a. Open Door: Hilda Contreras, Cheyenne Spetzler and Tory Starr were present from Open Door.

Cheyenne Spetzler informed the Board of her retirement. She also gave a brief presentation regarding the history between Open Door and the Healthcare District and wanted to thank the Board for all its support over the years. She is hoping for continued support from the Healthcare District.

## 7. COMMITTEE REPORTS:

## A. BUDGET/FINANCE COMMITTEE: (Directors Young and Caldwell)

1. Review and discussion of the proposed budget for the fiscal year 2024-2025.

Director Young gave a brief presentation of the proposed budget for the fiscal year 2024-2025. He reviewed our standard budget items with a projected budget increase. Also included were proposals from Gateway Education, City of Crescent City Pool Program, and the Beachfront Park Improvement Funding for consideration. There was a request by Chair Pearcey to increase the Senior swim passes to 60 from 50. These items are to be reviewed and considered for approval at the June 25, 2025, meeting.

B. COMMUNITY OUTREACH COMMITTEE: (Chair Pearcey & Director Babich)

Director Babich: I have reached out to Julie regarding the Harvest of the Month and have not heard back from her.

## C. HEALTHCARE EXPANSION:

- 1. Community Food Council: (Directors Caldwell and Babich)
  The new Board is in place and the first meeting to be held the first week
  of June.
- 2. Recruitment and Retention: (Director Caldwell)
  Director Caldwell: I feel there has been a lot of time wasted over the last 40 years on community health assessments. We put in an enormous amount of time into doing them and nothing seems to happen. Our main goal is to keep our focus on retaining the really good people we get here.

## D. HEALTH PROMOTION:

- Swimming Programs: (Director Young)
   April swim report: 50 out 50 senior passes were claimed with 4 people on wait list. 361 Saturday public swims. 70 swimming lessons.
- Non-emergency Transport: (Director Young)
   Director Young: There seems to be a lack of vouchers being given out.
- 8. REPORT OF THE EXECUTIVE SECRETARY: As reported

  Get quotes for fencing in garden area and rain gutters for building.

9.	UNFIN	ISHED	<b>BUSINESS</b>	•

## 10. NEW BUSINESS:

a. Discussion/Possible approval of presentation by Marty Coelho from College of the Redwoods regarding the Del Norte Healthcare District Nursing Scholarship.

There was discussion regarding the scholarship support by the Healthcare District in the past years, due to staff changes Mr. Coelho was not aware of these resources and wanted to know if they were still available. The Board informed him that they were included in the 2023-2024 budget and are available at this time. Mr. Coelho also presented a proposal for the 2024-2025 budget of 10,000 for the nursing scholarship.

b. Discussion/Possible approval of the request from Coastal Home Health and Hospice (Jamie Daugherty) for 1200.00. (see attached request letter).

Director Caldwell made a motion to approve the request of 1200.00 by Coastal Home Health and Hospice. Director Babich seconded the motion. Motion passed 4-0.

- 11. INDIVIDUAL DIRECTORS REPORT OF ACTIVITIES
- 12. PUBLIC COMMENT FOR ANY CLOSED SESSION ITEMS: No closed session items.
- 13. ADJOURNMENT TO CLOSED SESSION:
- 14. RETURN TO OPEN SESSION AND REPORT OF ANY ACTION:
- 15. ADJOURNMENT: Meeting adjourned at 7:20 p.m.

Minutes prepared and submitted by:	Minutes approved by:
Doris Hendricks, Executive Secretary	Dave Mason, Board Secretary

MEMORANDUM 7 CL |

TO: Del Norte Healthcare District Board of Directors

FROM: Michael Young, Director (Treasurer)

June 17, 2024

Re: Proposed Final 2024-2025 Budget

Attached is the proposed Final Budget for 2024-2025. I have attempted to include everything that has been requested whether by the Board or others. Changes can be made as the Board determines. The changes can include increasing or decreasing any line item and can include deletion of line items or addition of new items. Any changes will not offend me. I have prepared the attached Budget based on my best projections of what will be needed for operations in the coming fiscal years and projects and programs for which the Board has shown an interest.

I am not making any recommendation on any of the on-going or proposed projects. Therefore, don't assume that because a specific project is included in the proposed Final Budget that I am recommending it or opposing it. These are all open for discussion by the full Board.

As submitted the proposed Final Budget expenditures exceed revenue by \$636,080. This deficit is proposed to be covered by the existing Fund Balance. The estimated Fund Balance at the end of the 2024-25 fiscal year will be \$3,013, 920.

I will try to answer any and all questions during the Board discussion of the Budget.

## Independent Auditor's Report

Honorable President and Members of the Board of Directors Del Norte Healthcare District Crescent City, California

## **Report on the Audit of the Financial Statements**

## **Opinion**

I have audited the financial statements of the governmental activities and the general fund of the Del Norte Healthcare District as of and for the year ended June 30, 2023, and the related notes to the financial statements, which collectively comprise the Del Norte Healthcare District's basic financial statements as listed the table of contents.

In my opinion, the accompanying financial statements referred to above present fairly, in all material respects, the respective financial position of the governmental activities and the general fund of the Del Norte Healthcare District as of June 30, 2023 and the respective changes in financial position for the year then ended in accordance with accounting principles generally accepted in the United States of America.

## **Basis for Opinions**

I conducted my audit in accordance with auditing standards generally accepted in the United States of America (GAAS) and the standards applicable to financial audits contained in *Government Auditing Standards*), issued by the Comptroller General of the United States. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of Financial Statements section of my report. I am required to be independent of the Del Norte Healthcare District and to meet our other ethical responsibilities, in accordance with the relevant ethical requirements relating to my audit. I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinions.

## Responsibilities of Management for the Financial Statements

Management is responsible for the preparation and fair presentation of the financial statements in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement whether due to fraud or error.

In preparing the financial statements, management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt the Del Norte Healthcare District's ability to continue as a going concern for twelve months beyond the financial statement date, including any currently known information that may raise substantial doubt shortly thereafter.

## Auditor's Responsibility for the Audit of Financial Statements

My objectives are to obtain reasonable assurance about whether the financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinions. Reasonable assurance is a high level of assurance but is report not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with GAAS and Government Auditing Standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements are considered material if there is a substantial likelihood that, individually or in aggregate, they would influence the judgment made by a reasonable user based on the financial statements.

In performing an audit in accordance with GAAS and Government Auditing Standards, I

- exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risk of material misstatement of the financial statements, whether due to
  fraud or error, design and perform auditing procedures responsive to those risks. Such procedures
  include examining, on a test basis, evidence regarding the amounts and disclosures in the financial
  statements.
- obtain an understanding of internal control relevant to the audit in order to design audit
  procedures that are appropriate in the circumstances, but not for the purpose of expressing an
  opinion on the effectiveness of Del Norte Healthcare District's internal control. Accordingly, no
  such opinion is expressed.
- evaluate the appropriateness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial statements.
- conclude whether, in my judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about the Del Norte Healthcare District's ability to continue as a going concern for a reasonable period of time.

I am required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control-related matters I identified during the audit.

## **Required Supplementary Information**

Accounting principles generally accepted in the United States of America require that management's discussion and analysis, budgetary comparison schedules, and schedule of changes in the district's total OPEB Liability and Related Ratios be presented to supplement the basic financial statements. Such information is the responsibility of management and, although not a part of the basic financial statements, is required by the Government Accounting Standards Board who considers it to be an essential part of financial reporting for placing the basic financial statements in an appropriate operational, economic, or historical context.

I have applied certain limited procedures to the required supplemental information in accordance with GAAS, which consisted of inquiries of management about the methods of preparing the information and comparing the information for consistency with management's representations to my inquiries, the basic financial statements, and other knowledge I obtained during my audit of the basic financial statements. I do not express an opinion or provide any assurance on the information because the limited procedures do not provide me with sufficient evidence to express an opinion or provide any assurance.

## Other Reporting Required by Government Auditing Standards

In accordance with *Government Auditing Standards*, I have also issued my report dated June 21, 2024 on my consideration of Del Norte Healthcare District's internal control over financial reporting and on my tests of its compliance with certain provisions of laws, regulations, contracts, and grant agreements and other matters. The purpose of that report is solely to describe the scope of my testing of internal control over financial reporting and compliance and the results of that testing, and not to provide an opinion on the effectiveness of Del Norte Healthcare District's internal control over financial reporting or on compliance. That report is an integral part of an audit performed in accordance with *Government Auditing Standards* in considering the Del Norte Healthcare District's internal control over financial reporting and compliance.

Terry E. Krieg, CPA Santa Rosa, California June 21, 2024

This section of the *Del Notre Healthcare District* financial report presents our discussion and analysis of the district's financial performance during the fiscal year that ended on June 30, 2023. Please read it in conjunction with the district's audited financial statements, which follow this section.

### **FINANCIAL HIGHLIGHTS**

- Revenue from all governmental activities increased by about \$213,500 or about 26% in the 2023 fiscal year. The main reasons for the increase in total revenues in fiscal 2023 were the increase in investment earnings distributed to the district in fiscal 2023 from the State LAIF and about \$143,000 increase in property tax revenues allocated to the district by the County. This was a positive change from fiscal 2022 as the County reduced the district's allocation by about \$76,000 to correct previous county allocations.
- Expenses for all governmental activities of \$653,300 increased by \$145,800 compared to fiscal 2022 in the statement of activities using full accrual basis of accounting. The main reasons being higher utility costs, increase in community support distributions and increases in maintenance and operating costs.
- The district's general fund ended fiscal 2023 with a \$3,027,000 fund balance which is about a \$578,000 increase over the fiscal 2022 fund balance.

## OVERVIEW OF THE FINANCIAL STATEMENTS

This financial report consists of four parts – the independent auditor's report, management's discussion, and analysis (this section), the basic financial statements including the notes to the financial statements and a required supplementary information (RSI) section. The basic financial statements include two kinds of statements that present different views of the district:

The first two statements are *government-wide financial statements* that provide both long-term and short-term information about the district's *overall* financial status.

The remaining statements are *fund financial statements* that focus on individual parts of the district government, reporting the district's operations in more detail than the government-wide statements.

 The governmental fund statements tell how government services like the Wellness Center were financed in the short term as well as what remains for future spending.

The basic financial statements also include notes that explain some of the information in the financial statements and provide more detailed data. The statements are followed by a section of required supplementary information (RSI) that further explains and supports the information in the financial statements about the general fund.

Table A-1 summarizes the major features of the district's financial statements, including the portion of the district government they cover and the types of information they contain. The remainder of this overview section of management's discussion and analysis explains the structure and contents of each of the statements.

Table A-1

Major Features of Del Norte Healthcare District's Government-Wide and Fund Financial Statements

		Fund Statements
Features	Government Wide Statements	Governmental Funds
Scope	Entire District government	Excludes proprietary and fiduciary activity, includes wellness, administration
Required financial statements	<ul><li>Statement of net position</li><li>Statement of Activities</li></ul>	Balance sheet Statement of revenues, expenditures and changes in fund balance
Accounting basis and measurement focus	Accrual accounting and economic resources	Modified accrual accounting and current financial resources focus
Type of asset and liability information	All assets, deferred outflows, liabilities and deferred Inflows, both financial and capital, and short-term and Long-term	Only assets expected to be used up and liabilities that come due during the year or soon thereafter, no capital and no long-term debt included
Type of inflow/outflow information	All revenues and all expenses during the year, regardless of when cash is received or when cash is paid	Revenues for which cash is received during or soon after the end of the fiscal year: expenditures are considered made when the goods or services have been received and payments is due during the year or soon thereafter

## **Government-Wide Financial Statements**

The government-wide financial statements report information about the district using accounting methods like those used by private-sector companies. The *statement of net position* includes *all* the district's assets and liabilities. All the current year's revenues and expenses are accounted for in the statement of activities regardless of when cash is received or pald.

The two government-wide statements report the district's net position and how it has changed. Net position – the difference between the district's assets and deferred outflows of resources and liabilities and deferred inflows of resources – is one way to measure the district's financial health, or position.

Over time, increases or decreases in the district's net position are an indicator of whether its financial health is improving or deteriorating, respectively.

To assess the overall health of the district you need to consider additional nonfinancial factors such as changes in the property tax base, other revenues, and facilities.

The government-wide financial statements of the district are reported in one category:

• Governmental activities - All of the District's basic services are included here, such as the wellness center and general administration. Property taxes, investment revenues, charges for services, and rents finance most of these activities.

## **Fund Financial Statements**

The fund financial statements provide more detailed information about the district's most significant funds - not the district as a whole. Funds are accounting devices that the district uses to keep track of specific sources of funding and spending for particular purposes. The district has one general fund and one type of fund:

• Governmental funds - The District's basic services are included in a governmental fund, which focus on (1) how cash and other financial assets that can readily be converted to cash flow in and out and (2) the balances left at year-end that are available for spending. Consequently, the governmental funds statements provide a detailed short-term view that helps you determine whether there are more or fewer financial resources that can be spent in the near future to finance the district's programs. Because this information does not encompass the additional long-term focus of the government-wide statements, we provide additional information at the bottom of the governmental funds statement, or on the subsequent page, that explains the relationship (or differences) between them.

## FINANCIAL ANALYSIS OF THE DISTRICT AS A WHOLE

Net Position. The financial position of the district increased about net \$376,000 between fiscal 2023 and 2022 including prior period adjustments (See Table A-2, rounded to nearest hundred))

> TABLE A-2 Del Norte Healthcare District's Net Position

Assets: 2023 2022			Percentage Change 2022-2023
Current and other assets Long-term lease receivable Capital assets	\$3,255,800 496,200 6,332,200	\$2,657,600 705,700 6,533,200	23 % -30 3
Total assets	10,084,200	9,896,500	2
Liabilities: Other liabilities Total OPB Liability	29,500 24,500	5,600 25,800	527 -5
Total liabilities	54,000	31,400	72
Deferred inflows of Resources Leases related	698,200	909,300	-23
Net position: Net investment in capital assets Restricted	6,329,400 3,026,000	6,533,200 2,422,600	-3 25
Total net position	\$9,332,000	\$8,955,800	4%

## FINANCIAL ANALYSIS OF THE DISTRICT AS A WHOLE

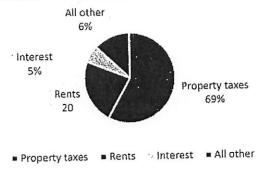

Net position of the district's governmental activities was \$9,332,000 at the end of fiscal 2023. However, about 68 percent of the ending net position of the district represents our net investment in capital assets (land, Improvements, equipment, and buildings (net of any retainage on construction work) and therefore is not available for use for other activities.

Changes in net position. The district's total government-wide revenues increased to \$1,029,504 in fiscal 2023 on the full-accrual basis. (See Table A-3). About 69 % of the district's revenue comes from property taxes. The remainder comes from facility rents, investment income and other revenues.

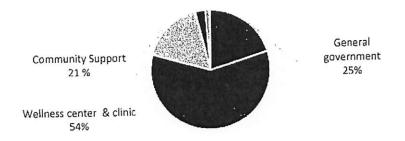

The total cost of all programs and services in fiscal 2023 was \$653,300 and includes operation of the wellness center, clinic, special projects, and general administration expenses.

The Sources of the District's major types of revenue and the areas where such resources are used (expenses) is shown below in summary graphic form:

## Source of Revenues for Fiscal Year 2023

## Functional Expenses for Fiscal Year 2023

## **Governmental Activities**

Revenues for the governmental activities increased in fiscal 2023 because of general economic conditions in the world of investments and corrections to the method of allocating property taxes to the district; both which were factors outside the control of district management. Rental income was relatively stable in fiscal 2023 under the lease arrangements with the "Open Door Clinic" and the County of Del Norte Department of Health and Human Services (DHHS). As the above graph shows, the district is very dependent upon property taxes as a source of financing operating and capital costs.

As the above graph shows, most of the district's operating expenses (79%) are incurred for administration and, the operation and maintenance of the district's wellness center clinic facilities which are used to provide medical care to local residents. The other 21% of the district's 2023 operating expenses were incurred to fund community support projects.

Table A-3
Changes in Del Norte Healthcare District's Net Position
(Rounded to nearest hundred)

(Nou	2023	2022	Percent Change 2022-2023
December 6400000	1,929		
Program expenses: Public health: General government:	\$ 157,300	<b>\$ 127,000</b> .	24 %
Wellness center and Clinic support	356,900	293,500	21
Community support	139,100	87,000	60
Total program expenses	653,300	507,500	29
Program revenues:	205,000	208,000	-1
Lease revenue		58, <u>500</u>	10
Reimbursements	64,100	30,000	
Total program revenues	269,100	266,500	1
Not were seen as a seen and	(384,200)	(241,000)	59
Net program expense General revenues:	712,300	569,400	25
Property taxes	4 <u>8,100</u>	(19,900)	341
Investment income	48,100	(10,000)	
Total general revenues	760,400	549,500	38
Increase in net position	376,200	308,500	22
Net position, beginning,	8,955,800	8,647,300	
Net position, ending	\$9,332,000	\$ 8,955,800	4

The district's net increase in 2023 net position was about \$67,700 more than the 2022 increase because of the combined increases in property tax revenues and investment income.

Investment income in fiscal 2023 was a positive \$48,100, even after a fair value decline in 2023 of \$9,788, because the rate of return on its investments in the State of California LAIF investment pool increased significantly in fiscal 2023. This was a favorable change compared to the negative \$19,900 investment loss in fiscal 2023.

The district's overall cash and investment position increased by about \$563,000 in fiscal 2023.

While users of the district's services and facilities funded only \$269,000 of the costs of our programs through charges for utilities and rents, there remained a \$384,000 operating deficit that had be to be funded from a portion of the district's property tax revenu

The district has no other source of discretionary revenues, and as it does not share in any sales tax or local County wide special tax allocations. Without the annual allocations of property tax revenues from the Del Norte County, the District would be unable to sustain its current level of service.

Table A-4
Cost of Del Norte Healthcare District's Governmental Activities

	Total Cost of	Services	Percentage Change
	2023	2022	2022-2023
General Government Wellness Center and Clinic Community support	\$157,300 356,900 139,100	\$127,000 293,500 87,000	24 % 21 69
Total	\$653,300	\$507,500	29

Because the governmental activities focus is both short and long term, the expenses of the Wellness Center include depreciation on the district's buildings.

The most significant changes in overall expenses in fiscal 2023 was that (1) the district increased its funding of local community support projects by \$52,100 in fiscal 2023, (2) maintenance costs of the wellness center and clinic including utility costs increased by about \$63,400, and (3) general government costs increases by about \$30,000 from normal operations.

## FINANCIAL ANALYSIS OF THE DISTRICT'S FUND

## **General Fund**

As the District completed the 2023 fiscal year, its one governmental fund (the general fund) concluded the year with a \$3,027,216 fund balance. Maintaining a positive fund balance has been a goal of the District's Board of Directors ever since the new building was opened in 2007.

While Governmental Accounting Standards Board Statement (GASB) Number 54 provides for fund balance commitments and assignments, the district has no such amounts set aside. All the general fund balance is restricted for future public health care needs.

## **General Fund Budgetary Highlights**

The district's policy has been to adopt an original budget at the commencement of the fiscal year and to not change or modify the adopted budget during the year. While the adopted budget was not significantly modified during the year, actual results varied from the adopted version as follows:

- 1) Property tax revenues exceeded the budget by about 9 percent.
- 2) Interest revenues were \$38,506 over budget because of a significant increase in the investment income from the LAIF pool in fiscal 2023. Before fair value adjustments, the district received \$56,236 in LAIF interest in fiscal 2023 compared to \$7,377 in fiscal 2022.
- 3) One the spending side of the budget, the normal general fund spending was about \$172,169 under budget. The reasons for the favorable spending variance were that (1) the \$56,140 less was spend on community support than expected, (2) about \$61,440 less was spent on building repairs, capital assets and contingencies than expected, and (3) \$54,589 less than budgeted was spent on general government administration and maintenance.
- 4) The most significant budget overrun was the \$39,025 tax collection expenditure as the district had not budgeted for that type of expenditure since it is automatically withheld by the taxing entity.

Overall, the general fund budgetary balance increased by about \$578,073 at the end of fiscal 2023 while the adopted budget had anticipated a year end increase of about \$320,000.

## CAPITAL ASSET AND DEBT ADMINISTRATION

## Capital Assets

At the end of fiscal 2023, the district had invested \$6,322,200 in a broad range of capital assets, including land, equipment, buildings, facilities, and other assets. (See Table A-5.) This amount represents a net decrease (including additions and deductions) of \$201,000) from last year.

Table A-5
Del Norte Healthcare District's Governmental Activities Capital Assets

2023	2022	Percent Change 2022-2023
\$1,340,300	\$1,340,300	
1,340,300	1,340,300	
7,628,500 192,800 441,600 84,300 8,344,400 (3,355,300)	7,624,200 188,400 441,600 84,300 8,338,500 (3,145,600)	.5% 2% 7
4,991,900	5,192,900	
\$6,322,200	\$6,533,200	-3
	1,340,300 7,628,500 192,800 441,600 84,300 8,344,400 (3,355,300) 4,991,900	\$1,340,300 \$1,340,300 1,340,300 1,340,300 7,628,500 7,624,200 192,800 188,400 441,600 441,600 84,300 84,300 8,344,400 8,338,500 (3,355,300) (3,145,600) 4,991,900 5,192,900

There were no significant additions to capital assets in fiscal 2023, except a new computer, copy machine and security camera wiring. The overall net decrease in our investment in capital assets was the result of depreciation charges in the fiscal year. More detailed information about the district's capital assets is presented on page 25 in Note 2B to the notes to the basic financial statements.

## Long - Term Debt

The district has no long-term debt outstanding on June 30, 2023.

## ECONOMIC FACTORS AND NEXT YEAR'S BUDGETS AND RATES

The district's revenue budget for fiscal 2024 anticipates total revenues of \$989,320 which is about \$45,000 more than the fiscal 2023 revenue expectations. Estimated expenditures for fiscal 2024 are set at \$870,500 which is about \$245,000 more than the fiscal 2023 budget. Most of the expected increase for 2024 spending is for new project funding for beachfront exercise loop stations and the "Kids Town" project.

## CONTACTING THE DISTRICT'S FINANCIAL MANAGEMENT

This financial report is designed to provide our citizens, taxpayers, customers, investors, and creditors with a general overview of the district's finances and to demonstrate the district's accountability for the money it receives. If you have questions about this report or need additional financial information, contact the President of the Board of Directors. Del Norte Healthcare District, 550 E. Washington Blvd., Suite 100, Crescent City, California, 95531.

Vacation and sick leave benefits		(2,189)
Change in net position of governmental activities	_\$	376,157

The accompanying notes are an integral part of these financial statements.

## DEL NORTE HEALTHCARE DISTRICT NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES

## A. Reporting Entity

The Del Norte Healthcare District (the district) is a separate governmental unit authorized under the Local Health Care District Law (California Health and Safety Code Section 32000 et seq.) providing funding and support for healthcare services and is governed by a five-member elected Board of Directors. The district owned Wellness Center facility provides space for the Del Norte Community Health Center (part of the Open-Door Community Health Centers) and other health related service providers. The district does not directly provide healthcare services. The district is not accountable for and has no control over other governmental units referred to as component units.

## B. Basis of Presentation and, Basis of Accounting

## **Basis of Presentation**

Government-Wide Statements: The statement of net position and the statement of activities display information about the primary government (the district), These statements include the activities of the overall government, except for fiduciary activities. These statements distinguish between the governmental and business-type activities of the district. The district conducts no business-type activities. Governmental activities generally are financed through taxes, intergovernmental revenues, and other nonexchange transactions whereas business-type activities would be financed in whole or in part by fees charged to external parties.

The statement of activities presents a comparison between direct expenses and program revenues for each function of the district's governmental activities. Direct expenses are those that are specifically associated with a program or function, and therefore, are clearly identifiable to a particular function. Program revenues include (a) building lease revenues and reimbursements and (b) grants and contributions restricted for health care functions. Revenues that are not classified as program revenues including property taxes and investment interest are presented as general revenues.

Fund Financial Statements: The fund financial statements provide information about the district's governmental fund. Separate statements for each fund category-governmental are presented. The emphasis of fund financial statements is on major governmental funds; and the district reports the following major governmental fund:

General fund. This is the district's only and primary operating fund. It accounts for all financial resources of the district.

## DEL NORTE HEALTHCARE DISTRICT NOTES TO FINANCIAL STATEMENTS JUNE 30, 2023

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

## Measurement Focus and Basis of Accounting

Government-Wide Financial Statements. The government-wide financial statements are reported using the economic resources measurement focus and the and the accrual basis of accounting. Revenues are recorded when earned and expenses are recorded at the time liabilities are incurred, regardless of when the related cash flows take place. Nonexchange transactions in which the district gives (or receives) value without directly receiving (or giving) equal value in exchange, include property taxes, grants, entitlements and donations. On an accrual basis, revenue from property taxes is recognized in the fiscal year for which the property taxes are levied. Revenue from grants, entitlements and donations is recognized in the fiscal year in which all entitlement requirements have been satisfied.

Governmental Fund Financial Statements. Governmental funds are reported using the current financial resources measurement focus and the modified accrual basis of accounting. Under this method, revenues are recognized when measurable and available. The district considers all revenues to be available if the revenues are collected within 60 days after year-end. Property taxes, fees and interest are considered to be susceptible to accrual. Expenditures are recorded when the related fund liability is incurred, except for principal and interest on general long-term debt, claims and judgments, and compensated absences which are recognized as expenditures to the extent they have matured. Capital asset acquisitions are reported as expenditures in the general fund. Proceeds of general long-term debt and capital asset financing are reported as other financing sources.

## C. Assets, Liabilities and Net Position

## 1. Cash and Cash Equivalents

The district has defined cash and cash equivalents to include cash on hand, demand deposits, and short-term investments with its fiscal agent.

## 2. Prepaid Items and Leases

The district reports payments made in advance of receiving goods or services as prepaid items using the consumption method. Prepaid items using the consumption method are initially recorded as an asset, and recognition of an expenditure is deferred until the period in which the prepaid item is actually consumed or used.

Leases receivable are measured at the present value of lease payments expected to be received during the term of the leases. A deferred inflow of resources is recorded at the initiation of the leases in an amount equal to the initial recording of the lease receivable. The deferral is amortized on a straight line basis over the term of the leases.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

## C. Assets, Liabilities and Net Position (continued)

## 3. Capital Assets

Capital assets purchased or acquired with an original cost of \$500 or more are reported at historical cost or estimated historical cost. Contributed assets are reported at acquisition value as of the date received. Additions, improvements and other capital outlays that significantly extend the useful life of an asset are capitalized. Other costs incurred for repairs and maintenance are expensed as incurred. Depreciation on all assets is provided on the straight-line basis over the following estimated useful lives:

•	Buildings and improvements	20-50 years
•	Equipment	510 years
•	Improvements	10-20 years

## 4. Compensated Absences

The district's one employee accrues accumulated unpaid vacation and sick leave at the rate of one and one -half days for each two months worked. Compensatory and compensatory time off isare to be compensated at 100 percent of the current pay rate upon termination of employment. Accumulated and unused sick leave is to be compensated at the rate of 50 percent of the current pay rate.

## 5. Property Taxes

Property taxes are levied as of March 1 on property values as of that date. State statutes provide that the property tax rate be limited generally to one percent of market value, be levied only by the County, and be shared by jurisdictions. The County of Del Norte collects the taxes and distributes them to taxing jurisdictions on the basis of assessed valuations subject to voter-approved debt. Property taxes are due on November 1 and March 1 and become delinquent on December 10 and April 10. The district receives property taxes pursuant to an arrangement with the County known as the "Teeter Plan". Under the plan, the County assumes responsibility for the collection of delinquent taxes and pays the full allocation to the district. The district recognizes property tax revenues in the fiscal year in which they are due to the district and accrues as receivable such taxes. Accordingly, the district provides for no allowances for doubtful accounts.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

## C. Assets, Liabilities and Net Position (continued)

## 6. Fund Balance

In the fund financial statements, fund balance for governmental funds is reported in classifications that comprise a hierarchy based primarily on the extent to which the district is bound to honor constraints on the specific purpose for which amounts in the funds can be spent. Governmental accounting principles provide that fund balance is reported in five components nonspendable, restricted, committed, assigned and unassigned.

Nonspendable amounts are generally items not expected to be converted into cash such as inventories, prepayments and long-term receivables. Restricted amounts include those where constraints placed on the use of resources are externally imposed by grantors, contributors, other governments, or by laws and regulations. Committed amounts are those that can only be used for specific purposes as determined by the Board of Directors. Such committed amounts can only be redeployed for other uses by the direction of the Board of Directors. Assigned amounts are fund balance amounts constrained by the district's intent to be used for specific purposes. Assigned amounts can be redeployed for other uses without formal Board approval. Unassigned fund balance amounts are the residual amounts reported only in the general fund. The district reports only nonspendable amounts and restricted amounts in the general fund.

## 7. Net Position

In the financial statements, fund net position is reported in two categories as follows:

- Net investment in capital assets This category of net position reports the net book value of capital assets used in district operations including construction in progress all net of related accumulated depreciation and reduced by the carrying values of related long-term debt issued to finance the construction of such assets and any construction contract retentions payable.
- Restricted This category as discussed above in the fund balance section represents the amounts constrained in use by other governments, laws regulations which for the district means public health purposes only.

## 8. Pension Plan

The district does not participate in the Public Employees Retirement System of the State of California (CalPERS) and provides employees with no pension benefits. Accordingly, the district reports no information about pension plans in these financial statements.

## 1. SUMMARY OF SIGNIFICANT ACCOUNTING POLICIES (continued)

## C. Assets, Liabilities and Net Position (continued)

## 9. Other Postemployment Benefits Other Than Pensions (OPEB)

The district provides limited retiree benefits to a former Board member on a pay as you go basis. An actuarial valuation has been performed, and accordingly the total OPEB liability has been reported in these financial statements.

## 10. Fair Value Measurements

GASB Statement No. 72, Fair Value Measurement and Application, sets forth the framework for measuring fair value. That framework provides a fair value hierarchy that prioritizes the inputs to valuation techniques used to measure fair value. The hierarchy gives the highest priority to unadjusted prices in active markets for identical assets or liabilities (level 1 measurements) and the lowest priority to unobservable inputs (level 3 measurements). The three levels of the fair value hierarchy are described below:

Level 1: Inputs to the valuation methodology are unadjusted quoted prices for identical assets or liabilities in active markets that the district has the ability to access. Level 2: Inputs to the valuation methodology include quoted prices for similar assets or liabilities in active markets; quoted prices for identical or similar assets in inactive markets; inputs other than quoted prices that are observable for the asset or liability; or inputs that are derived principally from or corroborated by observable market data by correlation or other means. If the asset or liability has a specified (contractual) term, the level 2 input must be observable for substantially the full term of the asset or liability. Level 3: Inputs to the valuation methodology are unobservable and significant to the fair value measurement.

The district's investments in an external investment pool are not subject to reporting within the above hierarchy.

## 11. Use of Estimates

The basic financial statements have been prepared in conformity to generally accepted accounting principles and therefore include amounts based on informed estimates and judgments of management. Actual results could differ from those estimates. hierarchy.

## 2. DETAIL NOTES

## A. CASH AND CASH EQUIVALENTS

The district maintains most of its cash in the California Local Agency Investment Fund (LAIF) for the purpose of increasing interest earnings through pooled investment activities. These funds are not registered with the Securities and Exchange Commission as an investment company but are required to invest according to the California State Code. Participants in the pool include voluntary and involuntary participants, such as special districts, cities, and school districts for which there are legal provisions regarding their investments. The Local Investment Advisory Board (LIAB) has oversight duty for Local Agency Investment Fund. The LIAB consists of four members as designated by State Statute.

On June 30, 2023, the District's pooled investment position in Local Agency Investment Fund was \$2,580,124 which approximates fair value and is the same value of pooled shares. Fair value is based on information provided by the State for. The balances are available for withdrawal on demand and are based on accounting records maintained by LAIF, which are recorded on an amortized cost basis. Liquidity fees are not charged.

The LAIF pooled investments are not subject to reporting within the hierarchy as described in GASB Statement No. 72, Fair Value Measurement and Application.

### INTEREST RATE RISK

As a means of limiting its exposure to fair value losses arising from rising interest rates, the district's investment policy limits the district's investment portfolio to maturities prescribed in Sections 53600 through 53609 of the California Government Code, which states that the district shall act with care, skill, prudence and diligence pursuant to the general economic conditions and anticipated needs of the agency. The district shall prioritize the safeguarding of principal and acquire only investments that are legal investments in the State of California. On June 30, 2022, the LAIF effective yield was 3.257 percent.

## **CREDIT RISK**

State law limits investments in various securities to a certain level of risk ratings issued by nationally recognized statistical rating organizations. It is the district's policy to comply with State law regarding security ratings. The State Investment Pool was unrated.

## 2. **DETAIL NOTES**

## A. CASH AND CASH EQUIVALENTS (continued)

## CONCENTRATION OF CREDIT RISK

Credit risk is the risk of loss attributed to the concentration of the district's investment in a single issuer. Following is a summary of the concentration of credit risk by investment type of Local Agency Investment Fund as a percentage of fair value on June 30, 2023.

	LAIF Holdings
U.S. Treasury Bills	14.58%
U.S. Treasury Notes	48.50
Total government	63.08
Agency Debentures	7.78
Certificates of Deposit	7.40
Agency discount notes	13.98
Time deposits	2.85
Commercial paper	4.33
Corporate bonds, bank notes, other	.58
Totals	100%

## **CUSTODIAL CREDIT RISK**

For deposits, custodial risk is the risk that in the event of a bank failure, the district's deposits may not be returned to it. The district's policy for deposits is that they be insured by the FDIC. The district maintains cash in bank accounts, which at times may exceed federally insured limits. Bank accounts are guaranteed by the FDIC up to \$250,000. The district has not experienced any losses in such accounts and believes it is not exposed to any significant credit risk on cash. Institutions in California holding deposits from public agencies are required to collateralize the deposits with securities held by a third-party agent and having a market value equal to at least 110 % of the public funds held by the institution.

Custodial credit risk for investments is the risk that, in the event of the failure of the counterparty to a transaction, the district would not be able to recover the value of the investment or collateral securities that are in possession of an outside party. Investment securities are exposed to custodial credit risk if the securities are uninsured, are not registered in the district's name, and held by the counterparty. The district's investment is not exposed to custodial credit risk because the district's investments with the LAIF are not evidenced by specific securities.

Total capital assets	\$6,533,211	\$(201,046)	\$	\$6,332,165

#### 2. **DETAIL NOTES**

## C. ACCRUED VACATION, SICK LEAVE AND COMPENSATORY TIME OFF

Accrued, vacation, sick leave and compensatory time off are not due and payable in the current period and therefore, are not considered liabilities of the general fund in the fund financial statements. The government-wide statement of net position records the liability, segregating the amount expected to be paid within one year as a current liability.

Balance, June 30, 2022 Increases during the year	\$721 2,192
Decreases during the year Balance, June 30, 2023	2,913
Less amounts due within 1 year	(2,913)
Amounts due after 1 year	\$

## D. OTHER POSTEMPLOYMENT BENEFITS (OPEB) PLAN

## DESCRIPTION

#### 1. Other Post Employment Benefits

Plan Description.

The District has a single employer retiree healthcare plan (the OPEB Plan)

Benefits Provided.

The District's OPEB plan provides lifetime subsidized healthcare benefits for one retired elected official. The benefits have to be provided have been defined to mean that the district will fully reimburse the Medicare Part B premiums for the remaining lifetime of eligible former directors.

Employees Covered by the Benefit Terms.

As of the June 30, 2022, valuation date, the following employees were covered by the benefit terms:

Inactive employees or beneficiaries current receiving benefits	1
Inactive employees entitled to but not yet receiving benefit payments  Active employees	•
Active employees	
	1

#### 2. DETAIL NOTES

## D. OTHER POSTEMPLOYMENT BENEFITS (OPEB) PLAN (Continued)

Employees covered by the benefit terms (Continued)

The district by a resolution approved in June 1994 a provision that members of the Board of Directors who had served for 16 years prior to their retirement were entitled to health insurance paid for by the district for the remainder of their lives.

The District's OPEB Plan is closed to new entrants.

Contributions

District contributions to the plan occur as benefits are paid to retiree.

Total OPEB Liability

The District's total OPEB liability was measured as of June 30, 2023 and the total OPEB liability used to calculate the liability was determined by an actuarial valuation as of June 30, 2022.

## Actuarial assumptions

The total OPEB liability in the June 30, 2022, actuarial valuation was determined using the following actuarial assumptions, applied to all periods included in the measurement unless otherwise specified:

Inflation 2.50 percent per year

Salary increases Not applicable, there are no active plan members

Investment rate of return Not applicable, an OPEB Trust has not been established

Healthcare cost trend rates Medicare B premiums to increase 4.5% per year

Mortality rates were based on the MacLeod Watts Scale 2022 applied generationally from 2010

The actuarial assumptions used in the June 30, 2023; measurement date was based on the results of actuarial valuation as of June 30, 2022.

#### Discount Rate

The discount rate used was 3,54 percent as of June 30, 2022, and 3.65 as of June 30, 2023.

Total OPEB liability	\$ 22,753	\$ 24,488	\$ 26,421

OPEB Expense and Deferred Outflows of Resources and Deferred Inflows of Resources Related to OPEB

For the year fiscal year ended June 30, 2023, the district recognized OPEB expense of \$675. On June 30, 2023, there were no deferred outflows or inflows.

Payable to the OPEB Plan

On June 30, 2023, the district had no payable for the outstanding number of contributions to the plan for the year ended June 30, 2023

#### Other Benefits

The district also maintains a self-insured vision, dental and prescription plan. Special provisions in the plan documents provide that once a director has served for 96 consecutive months (8 years), the director shall be vested for additional dental, vision and prescription coverage. The plan provides that persons meeting the 96-month requirement, shall upon leaving office, be provided such coverages for each month they served on the Board.

#### E. FUND BALANCE

The shown in the general fund balance as nonspendable represents primarily amounts of prepaid insurance and a deposit for an electrical project. The remaining general fund balance is restricted for public health purposes.

#### F. RISK MANAGEMENT

The district is exposed to various risks of loss related to torts; theft of, damage to, and destruction of assets; errors and omissions; and natural disasters for which the district obtains insurance coverage.

#### 2. DETAIL NOTES

## F RISK MANAGEMENT (Continued)

Public entity risk pools are formally organized, and separate entities established under the Joint Exercise of Powers Act of the State of California. As separate legal entities, those entities exercise full powers and authorities within the scope of the related Joint Powers Agreements including the preparation of annual budgets, accountability for all funds, the power to make and execute contracts and the right to sue and be sued. Each risk pool is governed by a board consisting of representatives from member municipalities. Each board controls the operations of the respective risk pool, including the selection of management and approval of operating budgets, independent of any influence by member municipalities beyond their representation on that board. Obligations and liabilities of these risk pools are not the district's responsibility.

## Golden State Risk Management Authority

The district is insured for general liability, property, and workers compensations as a member of the Golden State Risk Management Authority (the Authority). The Authority is a public agency risk pool created under a joint powers agreement between the numerous governmental entities. The Authority manages one pool for all member agencies. Each member pays an annual premium to the system based on numerous factors including the number of personnel, and the types and values of assets held.

The Golden State Risk Management Authority is responsible for the first \$300,000 in workers compensation coverage and the first \$250,000 of general and automobile liability claims. The district has a zero self-insured retention limit for these coverages. The Authority purchases excess insurance coverages up to a combined \$50 million limit per occurrence for general liability and up to \$600 million for property. Workers' compensation is provided to statutory limits. Financial information on the Authority is available from its headquarters office upon request.

# G. CONTINGENCIES COVID-19

In December 2019, a novel strain of the coronavirus was reported in Wuhan, China. The World Health Organization has declared the outbreak to constitute a "Public Health Emergency of International Concern". The COVID-19 outbreak is disrupting supply chains and affecting production and sales across a range of industries. The extent of the impact of COVID-19 on our operational and financial performance will depend on certain developments, including the duration and spread of the outbreak, impact on our constituents, employees, other governmental funding agencies, and vendors all of which are uncertain and cannot be predicted. At this point in time, the extent to which COVID-19 may impact our financial condition or results of operations is uncertain.

#### 2, DETAIL NOTES

## G. CONTINGENCIES (Continued)

#### APPROPRIATIONS LIMIT

The district's appropriations limit is undeterminable at the present time. Actions are planned to retroactively recalculate the appropriations limit and make such information available as part of the district's commitment to transparency in local government.

#### H. LEASES

The district leases its facility known as the Del Norte Community Wellness Center (approximately a 20,000 square foot building) to providers of health care services. Under one lease arrangement, the monthly rent is \$10,250 per month for a lease term that expires October 31, 2027. In addition, the tenant pays 80 percent of the costs of electrical, propane, water and sewer services to the building. This lease is generally noncancellable except for cause of default by either party and contains no option for renewal or extension other than a month to month holding over provision Under the other leasing arrangement, the monthly rent is \$7,310 a month for a five year period that expired July 31, 2021. This lease provides for two five-year optional extensions with the base rent to be adjusted for each successive term in an amount equal to the change in the Consumer Price Index. The tenant exercised the first five-year extension. Future minimum rental receipts under the leases are as follows:

Fiscal Year	Principal	Interest	Totals
2023-2024	\$209,501	\$1,219	\$210,720
2024-2025	209,920	800	210,720
2025-2026	122,540	460	123,000
2026-2027	122,785	215	123,000
2027-2028	40,982	18	41,000
	\$705,728	\$2,712	708,440

#### I. Subsequent Events

The district in October 2024 made a \$340,000 loan to Family Resource Center of the Redwoods for the purchase of real estate for use in a Food Hub Program. The loan is secured by a promissory note and deed of trust. No interest accrues for the first four months or until ½ of the loan principal is repaid to the lender, thereafter interest accrues at three percent per per annum. The loan is payable in two installments with the first being four months after the loan proceeds are disbursed and the second and final maturity date is June 30, 2024.

## DEL NORTE HEALTHCARE DISTRICT GENERAL FUND BUDGETARY COMPARISON SCHEDUE IUNE 30, 2023

#### NOTE A Budgetary Basis of Accounting

The general fund budgetary comparison schedule is presented on a basis consistent with the adopted budget. The expenditure categories in the adopted budget have been grouped as follows in the general fund budgetary comparison schedule:

Budget categories adopted budget:		
Personnel	\$	125,400
Telephone and internet from utilities	•	4,000
Office supplies and expenses		3,000
Training and education		2,500
Professional services		61,500
1 10 10 00 00 00 00 00 00 00 00 00 00 00		17,000
Insurance		17,000
Total general government budgetary comparison schedule		213,400
Budget categories adopted budget:		04.500
Utilities and office		84,500
Telephone, internet, office and training grouped with general government		(9,500)
Building maintenance		73,000
		140.000
Total facilities maintenance budgetary comparison schedule		148,000
		195,200
Total contributions and community support in budgetary comparison schedule		193,200
m to a second continuation		
Budgetary categories adopted budget:		27,000
Capital asset		20,000
Building repairs		20,000
Contingency		20,000
The state of the s		67,000
Total capital outlay, building repairs and contingency per budgetary comparison schedule		07,000
	\$	623,600
Total budgeted final expenditures -General Fund Budgetary Comparison Schedule	J	023,000

#### NOTE B Most Significant Revenue Variance

The most significant revenue variance was \$57,272 in property tax revenues resulting from a higher allocations of property taxes in fiscal 2023.

## NOTE C Most Significant Expenditure Variance

There are a number of favorable spending variances in fiscal 2023 resulting from a lack of activity. The major no spending variances were healthcare needs assessment, mental health facilitator, legal, training and education, grounds keeping, land clearing and maintenance, nursing scholarships, building maintenance and contingencies.

All of the below questions are for Fiscal Year 2021–2022:

Did your leasing arrangements have any variable receipts which ARE NOT included in the measurement of the lease receivable?

These include but are not limited to receipts related to residual value guarantees and termination penalties.

No

If yes, record the dollar amount of variable receipts below for fiscal year 2021–2022:

\$

Has there been a change to the required receipts from the lessee for this contract this year?

N

If yes, you must create a modified lease receipt schedule for the remaining receipts, and remeasure the lease receivable. The difference between the original receivable and remeasured receivable must be entered as a department adjustment to deferred inflow of resources.

All of the below questions are for Fiscal Year 2021-2022:

Did your lessing arrangements have any variable receipts which ARE NOT

included in the measurement of the lease receivable?

These include but are not limited to receipts related to residual value quarantees and termination penalties.

No

If yes, record the dollar amount of variable receipts below for fiscal year 2021–2022:

\$

Has there been a change to the required receipts from the lessee for this contract this year?

No

If yes, you must create a modified lease receipt schedule for the remaining receipts, and remeasure the lease receivable. The difference between the original receivable and remeasured receivable must be entered as a department adjustment to deferred inflow of resources.

Less 201

Freight Brief

# MARKETING PROPOSAL

**Del Norte Healthcare District** 

Prepared for: Tonya Pearcey Del Norte Healthcare District Proposal issued: 06/04/2024

Proposal valid to: 06/30/2024

## SCOPE OF WORK - DESCRIPTION OF SERVICES

## SOCIAL MEDIA MARKETING - FB

## **Monthly Rate \$250**

- Create a monthly social media calendar with approximately 3 posts per week for Facebook
- Advertising strategy included in the monthly social media strategy, with an ad placement fee of 10%
- Customer service and availability 7 days a week on social media profile
- Posts will be scheduled out over the course of the month so we can focus on future events and content
- Results of the month's best content and page analytics will be reported on after the end of each month

Costs do not include any advertising dollars or other additional services. Advertising dollars will be added to the monthly invoice at the end of the month, in addition to the ad placement fee. Any additional services added to the above listed services will be \$30 an hour.

## **GRAPHIC DESIGN**

#### \$30/Hour

There will be instances where graphic design is needed for content such as, but not limited to:

- Social media posts and ads
- Tangible items such as flyers, for events or branding awareness

Costs do not include any additional content fees that may be needed for the client requested designs such as specific fonts or design elements. Any additional services to the above listed services, such as photography or logo design, must be discussed prior to execution and will be quoted separately.

## **EMAIL MARKETING**

#### \$30/Hour

- Send newsletters as requested through the Constant Contact account
- Regular updates of new subscribers and removal of repetitive bounces
- Emails can include member newsletters, surveys, meetings reminders, and more

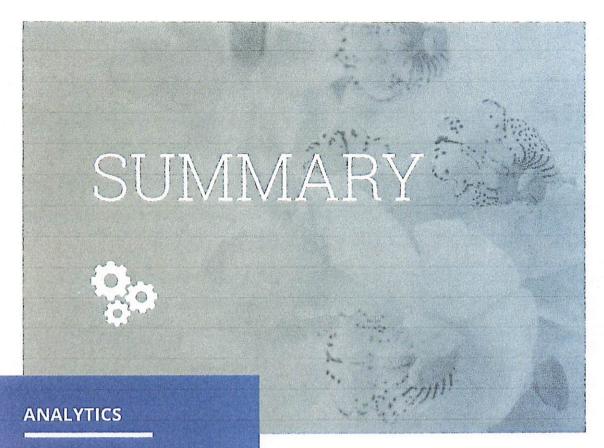

## **WEBSITE MAINTENANCE**

## **Monthly Rate \$150**

Monthly maintenance will include:

- Maintenance of links and formatting
- Posting of approved newsletters to the website up to three times per month
- Any changes to generic information such as hours or contact information, as requested

After the end of each month, the following analytics reporting will be submitted for review to the board:

- Facebook Likes and Follows, Top Performing Posts, Ad Results (when applicable)
- Newsletter new subscribers total subscribers, number published per month
- Public comments to the website
- Any action the board needs to address

## **TOTALS**

Facebook - \$250 Monthly Website Maintenance - \$150 Monthly Graphic Design - \$30/Hour Email Marketing - \$30/Hour

Signature:	Date:
------------	-------

Payments to be completed within 30 days of issued invoices.

Subject: May 2024 DNHD update

Good morning,

Here is the update for May 2024.

#### Senior passes-

50 out of 50 passes were claimed. We had 6 people on the waitlist.

## **Recreation Swims-**

A total of 258 guests swam.

## Swim lessons-

There were no May sign ups as they happened at the end of April.

Thank you,

Secretary Report

June 2024

Just a reminder to everyone that the fiscal year ends June 30, 2024. If you have any receipts for D/V/RX that need to be reimbursed, please get them to me asap.

Also, a reminder about the DNA memberships. If you have received your statement, please sign, and bring it to me to pay and complete.

I have contacted Red Sky Roofing regarding the gutters. They may not do that size but will try to get me a recommendation.

The field has been mowed. Joel at McMillian & Mayle did inform me that there will be a 10% increase in our monthly fees starting June 2024.

I have been in contact with The Local Mow man about the fencing around the garden. We have discussed some options, and he will be getting me some pictures and prices.

It looks like most of the wood has been cut and donated to the Senior Center Energy Program.

I have included some invoices for items concerning the DHHS building that I sent on May 13, 2024, to be paid. I have also included the email correspondence. To date they have not been paid. Also, as of today 6/20/2024, the day of this report I still have not received the June rent from the County for the DHHS building.

I have included a Thank you card from one of the Del Norte High School Scholarship recipients.

I have included a letter from College of the Redwoods.

#### CUSTOMER TALK

If your bill reflects that you owe a Balance Forward, you must make a payment immediately in order to avoid collection activities. You must pay a minimum of \$65.23 by your due date to avoid disconnection of your local service. All other charges should be paid by your due date to keep your account current.

Emergency responders need accurate information in order to send help when someone calls 911. Can your PBX or Multi-line telephone system direct emergency personnel to your business location? Frontier encourages you to ensure your location information is correctly configured in your PBX or Multi-line telephone system. For more information, consult the CPUC PBX 911 Advisory Brochure available at https://calphoneinfo.cpuc.ca.gov/assetlibrary/ed64 7079-83c1-41cc-90c0-dbdf9926ffcc/a0c734f6ca1243ab9 ee81f54687d35de3.pdf

Effective with your April invoice, the Road Recovery surcharge will increase to \$2.60. We charge this fee to cover a portion of the money we spend to move our network due to road work projects required by government agencies. To learn more, go to frontier.com/taxes-and-surcharges

\$229.60

#### CUSTOMER TALK

If your bill reflects that you owe a Balance Forward, you must make a payment immediately in order to avoid collection activities. You must pay a minimum of \$144.54 by your due date to avoid disconnection of your local service. All other charges should be paid by your due date to keep your account current.

Per the terms of your Frontier Services Agreement which provide for auto-renewal for an additional one-year period at one-year rates, effective with this bill, the charge for the long-distance component of Frontier Simply Unlimited Voice (FSUV) has increased by \$10.00 per month, per line. Frontier regrets our error in any delay of the update to your rates associated with your term plan auto-renewal date.

Important promotional pricing information...

The term service plan to which you subscribe includes an early termination fee if you cancel or change services before your term expires. Refer to the Monthly Service Charges section of this bill for applicable term dates. Questions? Please contact Frontier or visit frontier.com/terms or frontier.com/tariffs for other important service Terms, Conditions, and Policies.

Effective with your April invoice, the Road Recovery surcharge will increase to \$2.60. We charge this fee to cover a portion of the money we spend to move our network due to road work projects required by government agencies. To learn more, go to frontier.com/taxes-and-surcharges

Future delivery of Frontier print directories may be reduced or eliminated in certain areas. Re: Del Norte Healthcare District Scholarship

550 E. Washington Blvd., Ste 400

Crescent City, CA 95531

Dear friends,

On behalf of College of the Redwoods, we would like to thank you for your generous contribution of \$10,000.00 to the Del Norte Healthcare District Scholarship fund. We are thrilled you have chosen to continue to support College of the Redwoods students.

Scholarships play an important role in providing accessible, affordable education to many individuals in the community. With your support, you have made a significant statement about your commitment to the college and community.

Thanks again for your contribution and for your support of higher education on the North Coast. If you have any questions about this scholarship, please don't hesitate to contact the Scholarship Office at (707) 476-4191 or scholarships@redwoods.edu

Sincerely,

Keith Flamer
