

Apple Doughnuts – Kid-Friendly

Created by: [BBC Good Food](#)

Prep Time: 20m | Cook Time: 0m | Servings: 15

Ingredients

- 150g soft cheese
- 2 teaspoon honey
- 3 apples
- 3-4 tablespoon almond or peanut butter
- Colored sprinkles - optional

Instructions

1. Mix the soft cheese with the honey and set aside.
2. Peel the apples, then slice each through the core into five or six rings, about 1cm thick.
3. Use an apple corer or small round biscuit cutter to stamp out a circle from the middle of each slice, removing the core and creating 'doughnut' shapes.
4. Pat the slices dry using kitchen paper – they should be as dry as possible to help the toppings stick.
5. Spread some nut butter over the slices, if using, then top with the sweetened soft cheese.
6. Decorate with the sprinkles and serve.
