## 2022-23 Dance Season

Hello and Welcome to the new dance year at Step By Step (SBS). We hope everyone has had a fun, safe summer and is ready to begin the new dance year. This is our 25th Season and we can't wait to celebrate it with you!!! Classes will begin Monday, September 19.

If you already registered for fall classes, you should have received your personal fall schedule in a separate email. Please check your classes and notify the studio if there are any mistakes or changes. If you haven't registered yet and would like to do so, we are having our in-person registration on Wednesday, August 31st, from 6:00 to 7:30 PM at the studio or you can register anytime online from our website: [www.StepByStepStudioOfDance.com](http://www.StepByStepStudioOfDance.com). If you are registering online, please make sure you register as a returning student and use the email address that you received this from. If you know of anyone else who would like to join Step by Step, please pass this information along and you'll be enrolled in our Spirit Club. This is SBS's referral program. More information can be found at the studio on our Spirit wall but in the meantime, if you refer a friend, please have them write your name on their registration form. Once registrations have been received, we cannot add referral names. Referrals are not for family members or someone who has previously been registered at SBS. Also, to stay updated please "like" us on Facebook and "follow" us on Instagram to get current studio information or visit the Important Dates page on our website ([StepByStepStudioOfDance.com](http://StepByStepStudioOfDance.com)). The Important Dates page also has all notices, so if you missed something you'll be able to find it here.

We are happy to welcome Miss Leanne Rose to our faculty. Her demo classes were amazing and the dancers really enjoyed her. We're so excited to have Miss Leanne on our team to teach Acro. You can read her bio on our website. Miss Heather R. will not be returning as she needs to focus on her family commitments but you'll probably see her from time to time at the studio. All the other teachers are gearing up and getting ready for classes. We are also planning some exciting events to celebrate our 25th Season so keep an eye out for some new info!

If anyone needs any dance supplies, they can be ordered from [www.shopnimbly.com/SBSdance](http://www.shopnimbly.com/SBSdance). This site has all the items you'll need and it is organized by class. Just select your class and get ready to shop. Shopnimbly will ship directly to your home and there are free returns and exchanges. If you need to check what shoes and attire are needed, please visit our website under the Information/Dress

Code tab. If you'd like to shop in person, we recommend the Dancer's Drawer in N. Attleboro as Capezio in Milford has closed. We still have some left over, gently worn shoes from our shoe swap bin and lots of hip hop sneakers. If interested, please stop by the studio on August 31 from 6 to 7:30 pm. After this date we will no longer have the bin and are donating any leftover shoes.

We know you chose SBS for many reasons and we welcome you to our family. Aside from teaching dance, SBS is a community for all of our dancers and for some it's a second home. The safety and health of our dance families, instructors and staff are of the utmost importance, and we need your help. We are mask optional, but ask if anyone feels sick, they should stay home. If students or any of their family members are Covid positive they should not come to class. If someone has had close contact, please wear a mask. We are not following the rules of the public schools and our Covid policies can be found on our website under Information/Classes. We will still be hand sanitizing, spraying the air and have air purifiers running.

If anyone has any questions, please call the studio at 508-533-1953. We look forward to seeing everyone and are looking forward to a great new season!

Thank you and happy dancing,

Step By Step
