**Attention: Section 8 PBV: Villas at Titusville**

Please note, applications must be postmarked by April 24, 2026, in order to be added to the waiting list. Paper applications cannot be hand delivered.

HABD will provide reasonable accommodation for families who require assistance during the application period. If you require assistance due to being elderly, disabled, or for other circumstances, please contact our office at 205-521-7463 or 205-521-6357.

Under the Project-Based Housing Choice Voucher Program, the rental assistance is tied to the unit and is not portable like the regular “tenant” based Housing Choice Voucher Program. HABD will refer families from the project-based waiting list to the Villas at Titusville to fill

vacancies. Since the assistance is tied to the unit, a family who moves from the project-based unit may not have any right to continued housing assistance like the regular tenant-based Housing Choice Voucher Program.
