

ORIOLE GOLF AND TENNIS PHASE TWO

RE: PRICE INCREASE ON LAUNDRY MACHINES

November 22, 2024

Dear Owners and Residents:

The Association's Executive Board wants to remind you there will be an increase in the laundry machines from **\$1.50 to \$2.50** for each washer and dryer, **starting on January 1, 2025.**

The price increase is the result of increases in the utility services, water, and electricity. In addition, the **maximum load limit per card** will also be **increased to \$75.00.**

As a reminder, all washers and dryers are for the use of Oriole residents and not for solicitation of commercial or business use.

Please remember all monies go directly back to the Association to offset expenses and to reduce possible condo due increases.

Thank you for your understanding and cooperation.

OGT2 Executive Board
