

Guide to the Science of Climate Change in the 21st Century

Glossary

David H. Manz
PhD., P. Eng., AOE, FCAE
2020

The IPCC has published extensive glossaries in their reports. Here are the web sites for a few.

1. IPCC Data Distribution Centre, the IPCC Fifth Assessment Report working group glossaries: WGI, WGII and WGIII. https://www.ipcc-data.org/guidelines/pages/glossary/glossary_a.html
2. Glossary from IPCC Special Report: Global Warming of 1.5 °C: <https://www.ipcc.ch/sr15/chapter/glossary/>
3. Glossary from IPCC Special Report on the Ocean and Cryosphere in a Changing Climate. <https://www.ipcc.ch/srocc/chapter/glossary/>
