

AERIS ACTIVE

**HOSPITAL GRADE HARD SURFACE DISINFECTANT CLEANER.
FOR USE ON ALL HARD SURFACES.**

**Broad-spectrum
disinfectant cleaner
with outstanding
residual anti-bacterial
activity**

Kills, protects
& removes stains

3-in-1 anti-microbial treatment
including mould & bacteria

Provides extended protection
against recolonisation

Effective cleaning – leaves
surfaces hygienically clean

Aeris Active

For non food preparation
surfaces, leave to dry for
effective bacterial
protection for up to 7 days

Wipe

Rinse food contact surfaces
& items such as utensils,
cutting boards, cookware
with potable water before
re-using where required.

PRODUCT OVERVIEW

- ✓ Hospital grade disinfection
- ✓ Anti-bacterial protection for up to 7 days or 200 touches
- ✓ HACCP certified

Aeris Active™ is compatible with the vast majority of both natural and synthetic surfaces prone to microbial colonisation.

Aeris Active™ helps long-term microbial control with its patented quat-polymer invisible protective film, ensures that your surfaces remain germ free. The film does not impact how the surface is used, leaving the treated surface cleaner and safer for a longer period of time.

For direct food contact surfaces such as cutting boards & utensils, once clean & disinfected with Aeris Active, rinse with clean potable water before re-use where required.

PRODUCT NOTES

- i. Always refer to the product label instructions, SDS and IFU prior to use
- ii. Less effective on porous surfaces

MKT-083-A-03

AERIS ACTIVE

**HOSPITAL GRADE HARD SURFACE DISINFECTANT CLEANER.
FOR USE ON ALL HARD SURFACES.**

FEATURES & BENEFITS

- Broad spectrum anti-microbial activity
- Effective in killing fungi
- A safer alternative to bleach
- Patented technology
- Leaves an invisible tack-free film
- Excellent cleaning properties & efficacy
- No build-up over time
- Greenest formulation available
- **HACCP approved**
- Highest efficacy in class
- Dual biocides with broad spectrum activity
- Validated long-term residual antibacterial efficacy
- Invisible, no build-up
- Universal hard surface compatibility

Challenge with 10⁸cfu/ml P.a. (ATCC No. 15442) Swabbing (16 hrs. after contamination)

Aeris Active™ has triple action benefits:

- ✓ Kills germs, broad spectrum effectiveness
- ✓ Kills & removes mould & mildew
- ✓ Removes discolouration caused by mould and remnants of dead organisms
- ✓ Leaves behind an invisible film providing residual protection from recolonisation on the surface

PREPARATION

Product Code	Description	Dilution Rate
AG-AA-750	Aeris Active 750mL	Ready to Use
AG-AA-5	Aeris Active 5L	Ready to Use

Product Code	Application Rate
AG-AA-750	As required
AG-AA-5	As required
