

Acknowledgement

For the kindly thought you had in offering your sympathy in our loss, for approaching us and by just being there it helped, even a little, to ease this cross. Even the offer of a shoulder to cry on is a consolation in times of sorrow and grief, or the heartfelt sympathy in your handclasp can bring a measure of warm gratitude and relief.

Perhaps your sympathy was wordless and only showed in your eyes, because you too know the grief that is felt when a loved one dies. Special Thanks to Denmark Baptist Church Family, New St. Luke Baptist Church Family, Baptist Memorial East Neuro ICU and to all who called and texted us every day. We appreciated all the love that was shown toward us.

In our time of loss, you have granted us comfort and healing through your sincere expressions of sympathy, love and compassion and your expressions of love will always be remembered.

We are forever grateful.
