National Synthesis of the People of God in the United States of America for the Diocesan Phase of the 2021-2023 Synod

This document is the culmination of 10 months of intentional listening throughout the Catholic Church in the United States. Its goal is to express the common preoccupations and hopes for the Church and to serve as an invitation to listen, discuss and discern together about how best to understand and act upon the matters that are in the hearts and minds of Catholics in the United States.

This document focuses on four key areas:

- Enduring Wounds
- Enhancing Communication and Participation
- Ongoing Formation for Mission
- Engaging Discernment

To view the original 16-page document in its entirety, please visit the St. George Church website at: <https://stgeorgeil.com>. Copies will also be available on the back table in the church.
