

HAWAI'I COMMUNITY HEALTH

Expert Presentation & Discussion

**Priority Concerns: Environmental Toxins,
what nobody is talking about that Healthcare
Providers & Advocates need to know**

Join Hawai'i Community Health (HCH) in welcoming Dr. Lorrin Pang, MD, MPH leading a statewide discussion about serious risks & management of exposure to environmental toxins across Hawai'i. Collaborate with health experts and partners across Hawai'i on solutions to support affected patients & communities.
