Dear Friends & Texas Music Lovers,

The Texas Internet Radio Chart (TIRC) is a group of Texas Music Lovers who founded the chart to help recognize our Texas Artists, Industry Professionals, & Internet Radio Stations. This Annual Awards Ceremony is not your cookie cutter Awards Show. In fact, most awards are determined by chart statistics for the previous year (not fan voted). Our mission is to recognize ALL relevant Texas Artists for their hard work and dedication to making and delivering great Texas Music and outstanding live performances. Our primary focus is to help establish & educate the up-and-coming musicians on how to properly build their relationships and successfully navigate the Texas Radio & Music Scene. We hope we can count on your support this year to continue with our mission.

We Need Your Help!!!

It takes a lot of resources and money to organize and pull off an event like this. . We are hoping you can find it in your hearts to assist us on some level. We created affordable sponsorship packages for every size business or budget. Thank you for all your support!!!
