Presenter: Dan Baker – Celtic Ornament

November 2018 President's Message

Welcome to the November Pizza party and meeting Wed. November 28th

This Meeting will be the **last one** of the year, and possibly my last meeting as the president of the Southwest Washington woodturners. The nominations for club officers was held last month and, although no one stepped up for the positions open at that time, **Adam Luna** was nominated for President for 2019 and will begin to assume the duties in January. Thank you, Adam, for offering to take over this position. Other officer positions are available and will be discussed at the meeting if you are interested.

On November 28th, Brian and I will meet with the Director of the Friends of the Carpenter and discuss the needs of our club and what we can do to satisfy the needs of the Friends of the Carpenter in regard to occupying the room formally used by the Share House and hopefully come to a satisfactory agreement that works for both organizations. This is going to mean making a few changes to our By Laws and increasing the **membership dues to \$35.00 per year**, which was voted on and approved at the Oct. meeting. This will help some with future needs, along with some future organizational plans, we may be able to increase our treasury savings too. **Rick Rich** has taken over the demonstrator scheduling for 2019 and has an opening or two for next year. It will benefit our club tremendously if some of our members and possibly members of other clubs will be able to fill these slots, as we hope to be able to start bringing in some well-known woodturners by 2020 and possibly one or two from the 2019 Oregon Symposium this coming March.

As a lesser known woodturner, I will be demonstrating the technique I use to make Celtic knot designs on ornaments as well as the club hosting a pizza party too.

Included here is an image to the Celtic design I hope to demonstrate Wed. and I hope to see you for the final meeting of 2018, and if possible, please bring an ornament to donate to the Friends of the Carpenter.

Enjoy the coming Holidays and work safely.

Yours,

Dan Baker, President

AAW Scholarships

The AAW is pleased to announce that we are continuing to offer financial assistance for quality woodturning instruction. Scholarships will be awarded to selected AAW chapter members to attend classes at one of two craft schools. The AAW Endowment Trust Fund (ETF), in combination with craft schools, provides funds for the scholarships.

Arrowmont School of Arts and Crafts, Gatlinburg, Tennessee. This scholarship offers tuition only for courses directly related to woodturning. Room, board, and travel expenses are the responsibility of the scholarship recipient. Please note important change this year for Arrowmont attendance: For 2019, Arrowmont will introduce a new selection of "Master" woodturning classes. If any scholarship recipients choose those classes, they will be responsible for paying an additional \$125 tuition premium on their own.

John C. Campbell Folk School, Brasstown, North Carolina. This scholarship offers tuition only for courses directly related to woodturning. Room, board, and travel are the responsibility of the scholarship recipient.
